My Path, My Way Hari Prasad Sharma, IAS (Retd.), 2025-04-18 Working as a police officer in the police service I had to play my role by being at the centre of many important events my aim here has also been to record my memories of some such incidents In an autobiography not only the personality but also entire time period emerges There is no direct path to understand life Understanding life is a continuous search which can be known only by trial and error In my view the meaning of patriotism is to have utmost respect and infinite pride and honour towards one's motherland and also to discharge one's duty with honesty in a broader perspective Love for one's country integrity towards it pride of being a Bharatiya and feeling of sacrifice for the country are the main

qualities for patriotism One must take interest and seek pride in the history of one s nation It has three advantages for sure First a person understands history in the true sense second a feeling of patriotism and nationalist outlook develops and third one gets freedom from the burden of history But history should be analysed in such a way that it are easily acceptable to us like the present that we experience ourselves This autobiography of mine should inculcate patriotism life values traditions and beliefs in our young generation and motivate them to work for the nation then only the motive of writing and publishing the book will be achieved **Because It Works!** Glenda Baker,2008-04-17 Do you like my story Did I write my personal essay right What do you think of my poem Why is my work being rejected If youre asking these questions and not getting helpful constructive answers try asking the only question that Glenda Baker and the editors of New England Writers Network ask does it work Because It Works is a compilation of over 40 articles and exercises on the elements of writing fiction personal essays and poetry Originally published in NEWN magazine these articles are designed to help you determine if your writing worksand if it doesnt how you can make it work Because it Works shows you 8 ways to characterize When not to use description Point of viewsimplified What to show what to tell The 10 dialogue commandments How and where to begin How to prop up the sagging middle The 8 awful endings Youll also learn how to critique and be critiqued the writing process will be demystified and youll understand that writers block is not a writing problem [www newnmag net](http://www.newnmag.net) Ive just read your article on point of view WOW Clear concise to the point and in no way confusing this is the best and easiest explanation Ive seen Arline Chase author and instructor for Writers Digest School
