Personal Financial Planning Case Studies:

Case Studies in Management and Business (Volume 4) (UUM Press) Soon Jan Jan, 2018-01-01 This is the fourth volume of the compilation of case studies by UUM's Institute of Management and Business Research IMBRe. Following the successful publication of its three predecessors, the current Volume 4 selects and includes the best Malaysian case studies in the broad areas of management, economics, and marketing. It is IMBRe's aspiration to encourage both academics and students to embrace the case study approach as an effective pedagogical tool. The cases are designed and written by academics to be used for both undergraduate and postgraduate courses in which the academics themselves more often than not serve as instructors. Although each case is written specifically to cater for a particular course, it can be adapted for other related courses.

Case Studies in Public Budgeting and Financial Management, Revised and Expanded W. Bartley Hildreth, 2003-03-11 A resource for administrators seeking innovative ideas and supporting precedents in formulating policy, this book also provides a useful textbook for public administration and policy students. It employs a wealth of case studies in budgeting and financial management to demonstrate strategies in system implementation, policy formulation, government accounting, auditing, and financial reporting. With contributions from leading experts, it clarifies procedures to solve cutback and downsizing dilemmas using theoretical models and provides pragmatic approaches to managing financial activities under budgetary strain. It also covers the evolution of a debt management policy.
