

## IUS School of Nursing Assessment of Student Learning Plan

**2012-2015**

This plan will assess if the Indiana University School of Nursing program is producing graduates who have mastered the Program Outcomes, which were developed in partnership by all of the Indiana University Schools of Nursing. It will measure student attainment during their senior year of Competencies that delineate mastery of each Program Outcome. It will also measure student's ability to pass the required NCLEX examination post-graduation.

| Goal (Outcome)                                                                                                                                 | Outcome (Competency)                                                                                                                          | Where or when assessed          | Tool utilized                                                                                                        | Success Criteria                                                                                                  | Results | Criteria met? | Comments |
