My food preparation concept is easy to follow because I do not count calories and I do not measure portion sizes. I make healthy food choices and I always read labels. Choosing the right foods and ingredients contributes to health, well-being, and energy levels. After my husband and I changed our eating habits in 2006, we both lost weight and we have maintained a healthy weight and healthy blood pressure and cholesterol levels since then. Since we are empty nesters, many of the recipes serve four or less and they can easily be doubled.
