A Savage Kinda Love Kiki Leach,2019-11-06 b i You re Beauty baby And I m the godd mn Beast b i He s the son of an international coke dealer who needs a wife to secure his family fortune I m the daughter of a convicted outlaw who needs his money to help pay off a high debt my father still owes to his former MC We re complete opposites Night and day Oil and water Good and insanely bad for each other The last thing I ever thought I would need was his help to save my family The last thing he ever thought he could want was mine along with me When push came to shove we knew all we d ever have from now until death was each other The only problem is that we might ve been too damn late to save ourselves from the very thing that was liable to kill us both b READ THE WARNING PRIOR TO PURCHASE THANKS b CHASE THE CLOUDS

Lindsay McKenna,2014-01-15 RANCHER TO THE RESCUE Sam Reese always got his way When time came to collect on a debt he didn t care whose toes were stepped on He might be as stubborn as one of his own untested stallions but he knew the value of a man s promise One glance at Dany Daguerre told Sam she had no intention of honoring her ex husband s contract Especially if it involved riding a spitfire horse in a proper competition Yet Sam offered her the chance to save her ranch if she d share his impetuous dream of winning A dream Sam unexpectedly found included a faithful promise of love **Texas Wildcat**

Lindsay McKenna,2014-04-15 TOO HOT TO HANDLE A blowout in the oil fields was bad news for everyone a loss of time and money for the owners day and night danger for the men who fought valiantly to cap the raging flames Sam Tyler was one of those men cool headed in the midst of bedlam unafraid even when he risked everything in the fight against the towering column of smoke and fire But when an accident in the oil fields sent him storming into Kelly Blanchard s office he learned there was one kind of fire even he wasn t equipped to handle Successful Classroom Management Richard H. Eyster,Christine Martin,2010-07 The first book to address head on the most in demand and troubling issue for teachers how to control their classroom **Mythic Frontiers** Daniel R. Maher,2019-03-04 Maher explores the development of the Frontier Complex as he deconstructs the frontier myth in the context of manifest destiny American exceptionalism and white male privilege A very significant contribution to our understanding of how and why heritage sites reinforce privilege Frederick H Smith author of The Archaeology of Alcohol and Drinking Peels back the layer of dime westerns and True Grit films to show how their mythologies are made material You ll never experience a heritage site the same way again Christine Bold author of The Frontier Club Popular Westerns and Cultural Power 1880 1924 The history of the Wild West has long been fictionalized in novels films and television shows Catering to these popular representations towns across America have created tourist sites connecting such tales with historical monuments Yet these attractions stray from known histories in favor of the embellished past visitors expect to see and serve to craft a cultural memory that reinforces contemporary ideologies In Mythic Frontiers Daniel Maher illustrates how aggrandized versions of the past especially those of the American frontier have been used to turn a profit These imagined historical sites have effectively silenced the violent

oppressive colonizing forces of manifest destiny and elevated principal architects of it to mythic heights Examining the frontier complex in Fort Smith Arkansas where visitors are greeted at a restored brothel and the reconstructed courtroom and gallows of Hanging Judge Isaac Parker feature prominently Maher warns that creating a popular tourist narrative and disconnecting cultural heritage tourism from history minimizes the devastating consequences of imperialism racism and sexism and relegitimizes the privilege bestowed upon white men
