

VASCULAR SURGERY LETTER OF RECOMMENDATION

Johannes Stelender, MD
Chair
Vascular Surgery
United Midway Hospital

Date

To Whom It May Concern:

I was Dr Elizabeth Wong's program supervisor in her Vascular Surgical elective rotation at our hospital. Without question, from day one, I noted the makings of a stellar physician. Her medical knowledge complemented by a command of the fundamental concepts of vascular surgery, far exceeded that of most medical students and distinguished her professional performance. Keen analytical and problem solving skills enhanced her ability to readily establish patient rapport and develop a winning team ethos.

Over a series of discussions, she shared insights as to the dramatic change that has taken place in the field in moving from aneurysm treatment to stenting to better prevent vascular disease and integrate minimally invasive surgery. Increasing early detection of peripheral arterial disease and its management to reduce the number of amputations was not only understood, but had become a cornerstone of her professional motivation. Dr. Wong is now and will be a credit to the profession throughout her career. She has shared expressions of gratitude from patients and they are all evidently sincere. She has come forth to lead on several occasions and met every challenge with a characteristic work ethic and evident honesty and integrity. Her genuineness increased the high esteem in which she was held. Not only a practitioner but also a scholar, she learns deftly and quickly and was pleased to shared her respected opinions with colleagues.

In short with consummate professionalism exceeding every expectation, her confident determination was a hallmark in all she accomplished. In sum, it is without reservation that I recommend Dr. Wong and would be most pleased to speak with you on her behalf.

Respectfully,
Johannes, Stelender, MD
