Milton/Chang Student Travel Grant Committee
Incubic/Milton Chang Student Travel Grant Committee
Optical Society of America
2010 Massachusetts Avenue, NW
Washington, DC 20036

Dear Milton/Chang Student Travel Grant Committee,

I would like to thank the committee for the consideration of my application for the Milton/Chang Student Travel Grant. As I am sure the committee is well aware, I have recently been accepted to deliver an oral presentation at the CLEO conference in Baltimore this MONTH 2009. The committee may not be aware, however, that I am an undergraduate student in my third year at the UNIVERSITY NAME. In the summer of xxx, I performed research in the Optics Laboratory at the University XYZ under Dr. Joe Smith. This work was funded by the xxx research award, which is a national award that is granted to undergraduate students with superior academic achievement to allow them to perform research in a university laboratory during the summer term. Over the summer, I performed the novel work that my CLEO conference presentation is based on.

Since I am an undergraduate student, it is rather difficult to obtain funding for conference expenses through a research grant. I am thankful, then, for the opportunity to apply for the Milton/Chang Student Travel Grant, which would enable me to make the trip to Baltimore. Furthermore, I am travelling from XYZ City in Sample Country, and as such the cost of travel is significant. This will be my first opportunity to attend the CLEO conference, which, according to colleagues at the XYZ University, is a world class and prestigious conference.

I am excited to begin an optics career, and I feel that the opportunity to share the work I have done and meet with leaders in the field will be an excellent platform to establish myself and gain new insight into possible research interests. I am looking forward to attending the CLEO conference, and I kindly request that the committee looks favorably on my application.

Sincerely,
Sample A. Student
