My Year Collecting Toys 2017 Matthew Marchon, It's not an addiction it's a passion I love collecting toys Okay yeah fine maybe a little bit of an addiction We'll let you decide Journey with me as we take a trip back to 2017 The year my beloved WWF Hasbro figures returned to the shelves as WWE Retros The year Mega Construx added Masters Of The Universe to their line of mini figures The year I bought a collection of the 2011 Thundercats and found a bag of He Man figures at a thrift store in the mountains of New Hampshire While traveling New England for my hiking guides I stopped at every toy store flea market and thrift store I came across Not to mention my parents' shed and attic always good places for old treasures And of course good old eBay The cover says it all you know what we're hunting down This isn't superheroes and Star Wars I'm looking for those forgotten lines And a few not so forgotten We're talking Dino Riders and Super Naturals Wrestling and MOTU GI Joes Turtles the ninja kind not the ones you have to brake for in the road Transformers and even ugh I know people hate it but I'm gonna say it anyway Go Bots And Thundercats everyone loves them Does that make up for it It was a good year for toy hunting but not nearly as good as the years that fell around it Since this book's a little short we're going to give it away for free just pretend it's one of those mini comics that came with 80's action figures But don't let your kids read it some of the humor may be a little inappropriate They can enjoy the pictures though just like I did with the actual mini comics that came with my figures when I was a kid Let's take a look at my year collecting toys in 2017

Warmonger Jeremy Kuzmarov, 2023-12-01 During the 2016 presidential election many younger voters repudiated Hillary Clinton because of her husband's support for mass incarceration banking deregulation and free trade agreements that led many U.S. jobs to be shipped overseas Warmonger How Clinton's Malign Foreign Policy Launched the Trajectory from Bush II to Biden shows that Clinton's foreign policy was just as bad as his domestic policy Cultivating an

image as a former anti Vietnam War activist to win over the aging hippie set in his early years as president Clinton bombed six countries and by the end of his first term had committed U S troops to 25 separate military operations compared to 17 in Ronald Reagan s two terms Clinton further expanded America s covert empire of overseas surveillance outposts and spying and increased the budget for intelligence spending and the National Endowment for Democracy NED a CIA offshoot which promoted regime change in foreign nations The latter was not surprising because according to CIA operative Cord Meyer Jr Clinton had been recruited into the CIA while a Rhodes Scholar at Oxford and as Governor of Arkansas in the 1980s he had allowed clandestine arms and drug flights to Nicaraguan counter revolutionaries Contras backed by the CIA to be taken from Mena Airport in the western part of the state Rather than being a time of tranquility when the U S failed to pay attention to the gathering storm of terrorism as New York Times columnist David Brooks frames it the Clinton presidency saw rising tensions among the U S China and Russia because of Clinton s malign foreign policies and U S complicity in terrorist acts In so many ways Clinton s presidency set the groundwork for the disasters that were to follow under Bush II Obama Trump and Biden It was Clinton building off of Reagan who first waged a War on Terror ridden with double standards one that adopted terror tactics including extraordinary rendition bombing and the use of drones It was Clinton who cried wolf about human rights abuses and the need to protect beleaguered peoples from genocide to justify military intervention in a post Cold War age And it was Clinton s administration that pressed for regime change in Iraq and raised public alarm about the mythic WMDs all while relying on fancy new military technologies and private military contractors to distance US shady military interventions from the public to limit dissent
