Red God Suny Series In Chinese Philosophy And Culture:

Red God Xiaorong Han, 2014-11-06 Robin Hood style revolutionary Wei Baqun is often described as one of China's three great peasant leaders alongside Mao Zedong and Peng Pai. In his home county of Donglan where he started organizing peasants in the early 1920s, Wei Baqun came to be considered a demigod after his death, a communist revolutionary with supernatural powers. So much legend has grown up around this fascinating figure that it is difficult to know the truth from the tale. Presenting Wei Baqun's life in light of interactions between his local community and the Chinese nation, *Red God* is organized around the journeys he made from his multiethnic frontier county to major cities where he picked up ideas, methods, and contacts, and around the three revolts he launched back home. Xiaorong Han explores the congruencies and conflicts of local, regional, and national forces at play during Wei Baqun's lifetime while examining his role as a link between his Zhuang people and the Han majority, between the village and the city, and between the periphery and the center. **The**

Shaman and the Heresiarch Gopal Sukhu, 2012-09-01 The first book-length study in English of the Chinese classic the *Li sao*. Encountering Sorrow includes translations of the *Li sao* and the Nine Songs. The *Li sao*, also known as *Encountering Sorrow*, attributed to the poet-statesman Qu Yuan (4th-3rd century BCE) is one of the cornerstones of the Chinese poetic tradition. It has long been studied as China's first extended allegory in poetic form, yet most scholars agree that there is very little in the two thousand year old tradition of commentary on it that convincingly explains its supernatural flights, its complex floral imagery, or the gender ambiguity of its primary poetic persona. *The Shaman and the Heresiarch* is the first book-length study of the *Li sao* in English, offering new translations of both the *Li sao* and the Nine Songs. The book traces the shortcomings of the earliest extant commentary on those texts, that of Wang Yi, back to the quasi-divinatory methods of the highly politicized tradition of Chinese classical hermeneutics in general, and the political machinations of a Han dynasty empress dowager in particular. It also offers an entirely new interpretation of the *Li sao*, one based not on Qu Yuan's hagiography but on what late Warring States period artifacts and texts, including recently unearthed texts, teach us about the cultural context that produced the poem. In that light, we see in the *Li sao* not only a reflection of the era of the great classical Chinese philosophers but also the breakdown of the political-religious order of the ancient state of Chu. **Orthodox**

Passions Maram Epstein, 2021-02-01 In this groundbreaking interdisciplinary study, Maram Epstein identifies filial piety as the dominant expression of love in Qing dynasty texts. At a time when Manchu regulations made chastity the primary metaphor for obedience and social duty, filial discourse increasingly embraced the dramatic and passionate excesses associated with late Ming chastity narratives. Qing texts, especially those from the Jiangnan region, celebrate modes of filial piety that conflicted with the interests of the patriarchal family and the state. Analyzing filial narratives from a wide range of primary texts, including local gazetteers, autobiographical and biographical *nianpu* records, and fiction, Epstein shows the diversity of acts constituting exemplary filial piety. This context, *Orthodox Passions* argues, enables a radical rereading of the

great novel of manners *The Story of the Stone* ca 1760 whose absence of filial affections and themes make it an outlier in the eighteenth century sentimental landscape By decentering romantic feeling as the dominant expression of love during the High Qing Orthodox Passions calls for a new understanding of the affective landscape of late imperial China Forthcoming Books Rose Arny,2004 **American Book Publishing Record** ,2006 **Whitaker's Books in Print** ,1998 Subject Guide to Books in Print ,1997 **Joyce in the Belly of the Big Truck; Workbook** Joyce A.
