Sailing Solo English Edition:

Sailing Alone Richard J. King, 2024-05-21 2024 National Outdoor Book Award Silver Medal Winner A masterfully curated collection You don't have to be a sailor to be blown away by this fascinating bighearted book Nathaniel Philbrick author of *In the Heart of the Sea* *Travels with George and Second Wind* A story as vast and exhilarating as the open ocean itself **SAILING ALONE** chronicles the daring disastrous and often absurd history of those who chose to sail across the ocean in very small boats alone Sailing by yourself out of sight of land can be invigorating and terrifying compelling and tedious and sometimes all of the above in one morning But it is also a wide expanse of time in which to think *Sailing Alone* tells the story of some of the remarkable people who over the last four centuries have spent weeks and months moving slowly over the world's largest laboratory a capricious and startling place in which to observe oneself the weather the stars and countless sea creatures from the tiniest to the most massive and threatening Richard J King profiles characters famous diverse international and obscure from Joshua Slocum of 1898 to modern teenagers daring to take the challenge They see strange hallucinations lie to us and themselves on their travel logs encounter sharks befriend birds and experience ESP all part of the unnerving reality of extended isolation And some disappear altogether *Sailing Alone* also recounts the author's own nearly catastrophic solo crossing of the Atlantic and the mystery of his inexplicable survival one sunny afternoon An enormously engaging new book for skippers and armchair voyagers alike

Sailing Alone Around the World Joshua Slocum, 2008-03-01 Captain Joshua Slocum's solo voyage around the world in the 37 foot sloop the *Spray* in 1895 undoubtedly stands as one of the greatest sea adventures of all time His classic narrative of this 46 000 mile circumnavigation of the globe continues to enjoy immense popularity throughout the world [A Man for All Oceans: Captain Joshua Slocum and the First Solo Voyage Around the World](#) Stan Grayson, 2017-05-16 The product of years of research *A Man for All Oceans* is the most comprehensive biography of Slocum ever published and the first written by a small boat sailor Author historian Grayson uncovered previously unknown original source materials to shed new light on one of history's greatest sailors while answering questions that have been asked ever since the publication of *Sailing Alone* In June 1898 three years and two months after departing Boston in his aged oyster sloop *Spray* Captain Joshua Slocum made landfall in New England and became the first person ever to sail alone around the world The voyage capped a lifetime of adventure for the indomitable Slocum who had advanced from seaman to captain during the challenging final years of commercial sail surviving hurricanes mutinies shipwreck and the death at sea of his beloved first wife Virginia *Sailing Alone Around the World* Slocum's book about his circumnavigation is a seafaring classic unmatched for adventure and literary verve and has never been out of print since its publication in 1900 Yet despite several biographies over the decades Slocum the man has remained unknowable to his legions of admirers the facts of his life and career as elusive as a ship on a fogbound sea Here is the real story of Slocum's Nova Scotia childhood his seafaring career and how he became an American citizen Grayson gives

ample evidence of Slocum's uncanny genius as a navigator while also noting the occasional role that good luck played in his voyages including his odyssey from Brazil to the United States in the self designed and built 35 foot *Liberdade* And Grayson brings a sailor's perspective to Slocum's solo circumnavigation and mysterious disappearance at sea A fascinating appendix compares *Sailing Alone Around the World* with Thoreau's *Walden* and shows that Slocum's simple lifestyle and self sufficiency prefigured today's emphases on the environment and living responsibly Previously unpublished photographs bring Slocum's world to life and detailed maps trace the adventures of a sailor who knew the world like the back of his hand This biography reads like an adventure narrative and will serve as the standard work on Joshua Slocum for years to come

Sailing Alone Around the World Joshua Slocum, 2006-08-11 In 1895 at the age of 51 Captain Joshua Slocum left Boston on his sloop *Spray* Three years later after sailing single handed 46 000 miles around the world Slocum returned to Newport Rhode Island Through this he was revered by sailors and adventurers around the world The story of this journey is a classic tale of achievement in the face of overwhelming odds *Walden* without the training wheels Nathaniel Philbrick **Catalogue** Wells, Edgar H. & Co, 1928 *Sailing Alone* Joshua Slocum, 2007-11-08 *Sailing Alone Around the World* is an account of the author's journey around the world He illustrates his adventures and daring moments in a very inspiring style His solitude and reveries have been well captured in these pages This work is considered as a masterpiece in the world of travelling

Semmens,2019-11-05 To Birgom s people the Known World is bounded by treacherous ice to the North and South by the endless ocean to the West and by impenetrable jungles and merciless deserts in the East Birgom leaves this world behind Sometimes joyful sometimes desperately sad sometimes written in excruciating detail or forgotten for years Birgom s Diary charts his long and eventful life in a world that s recognizably ours yet very different Maybe a few hundred years in the future maybe a few thousand I don t know Post apocalyptic but so far post that the apocalypse is the subject of speculation or mythology not history on the rare occasions that it enters anyone s consciousness at all This is not a sci fi world of high technology or space travel but nor is it a world of primitive savages But you ll have to read it In the back of the book there are some maps that Birgom drew of his travels It s in the same world as my previous novel Exile with some of the same characters Birgom is an important secondary character in Exile and his diary is mentioned The Story Elements below are oversimplified while there s a lot of nautical setting there s a lot of non nautical setting too and the time period is wrong
