A Fashion Retailer's Guide to Thriving in Turbulent Times Ghalia Boustani, Daniela Leonini, 2022-12-01 By raising questions and providing scenarios for success this book embraces fashion brand development in current turbulent retail environments. A brand must have an essence it needs to respect a philosophy abide by values and follow clear processes. A brand's success and sustainability follow specific rules nonetheless for fashion brands. But do fashion brand management rules apply in today's turbulent times. Acknowledging and going beyond branding theory this book challenges knowledge and practices that have been guiding fashion retail brands for many years. Co-written by an academic researcher and a retail consultant with 30 years of experience this practical guide offers not a process that fashion brands must follow but potential avenues for survival in today's retail market and facing today's customers. Professionals and students of fashion retailing and branding will appreciate the detailed case studies that illustrate revisited concepts and thought provoking suggestions on how to make decisions for an uncertain future.

A Start-Up's Definitive Guide to Failure Carsten A. Lexa, Émilie Nollet, 2025-01-16 Seven out of ten start ups fail. The reasons for failure are well known. Yet founders often fail to approach the topic of failure with the seriousness and commitment it deserves. This book aims to change that and offers a new approach for founders to drive their start up off a cliff. Structured as a how to guide to failure it highlights the most common mistakes founders make explains where they come from and illustrates them with real life examples. The goal of the book is to help founders make the right mistakes in order to fail more efficiently and perhaps help them avoid making these mistakes in the first place. The book includes an interview with German start up legend Prof G nter Faltn.
