Lutz,2013-05-28 One of the most acute books about management and how companies work in practice that I have read in a long time If anyone wants to know exactly how the U S auto industry got into trouble here is your guide John Gapper FINANCIAL TIMES When Bob Lutz got into the auto business in the early 1960s CEOs knew that if you captured the public s imagination with innovative car design and top quality craftsmanship the money would follow The car guys held sway and GM dominated with bold creative leadership and iconic brands like Cadillac Buick Pontiac Oldsmobile GMC and Chevrolet But then GM s leadership began to put its faith in numbers and spreadsheets Determined to eliminate the waste and personality worship of the bygone creative leaders management got too smart for its own good With the bean counters firmly in charge carmakers and much of American industry lost their single minded focus on product excellence and their

competitive advantage Decline soon followed In 2001 General Motors hired Lutz out of retirement with a mandate to save the company by making great cars again As vice chairman he launched a war against the penny pinching number crunchers who ran the company by the bottom line and reinstated a focus on creativity design and cars and trucks that would satisfy GM s customers Lutz s commonsense lessons combined with a generous helping of fascinating anecdotes will inspire readers in any industry Lemon-Aid Used Cars and Trucks 2011-2012 Phil Edmonston,2011-04-25 As Toyota skids into an ocean of problems and uncertainty continues in the U S automotive industry Lemon Aid Used Cars and Trucks 20112012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years Lemon Aid guides are unlike any other car and truck books on the market Phil Edmonston Canada s automotive Dr Phil for 40 years pulls no punches Like five books in one Lemon Aid Used Cars and Trucks is an expos of car scams and gas consumption lies a do it yourself service manual an independent guide that covers beaters lemons and collectibles an archive of secret service bulletins granting free repairs and a legal primer that even lawyers cant beat Phil delivers the goods on free fixes for Chrysler Ford and GM engine transmission brake and paint defects lets you know about Corvette and Mustang tops that fly off gives the lowdown on Honda Hyundai and Toyota engines and transmissions and provides the latest information on computer module glitches *Whole Green Catalog* Michael W.
