Perry Rhodan NEO: Volume 9 (English Edition) Frank Borsch, Michelle Stern, 2022-09-15 With alien threats out of the way a new day dawns for humanity Tragic revelations are afoot however as Crest learns he has very little time left and is driven to resume his search for eternal life When he travels beyond reach it's up to Rhodan Thora and their team to look for him by using one of the transmitters But this ancient technology works in mysterious ways Instead of finding Crest they emerge on a war torn alien world with no hope no compassion and no way back Meanwhile Mildred and Julian take Gucky the alien Mousebeaver with both telepathic and telekinetic abilities on a road trip across the USA Their goal To find Julian's father William Tiffleur who disappeared after defending Crest during his trial With nefarious forces at play it's not long before Gucky is separated from his human companions and finds himself unable to use his powers Dangers past and present are lurking around every corner as Earth's heroes take their next step towards the stars *The Maxims (Bilingual Edition: French Text, with a Revised English Translation)* François de La Rochefoucauld, 2022-02-14 Of all the French epigrammatic writers La Rochefoucauld 1613-1680 is at once the most widely known and the most distinguished Voltaire said One of the works that most largely contributed to form the taste of the French nation and to diffuse a spirit of justice and precision is the collection of maxims by François duc de La Rochefoucauld though there is scarcely more than one truth running through the book that self-love is the motive of everything yet this thought is presented under so many varied aspects that it is nearly always striking And Lord Chesterfield in his letters to his son Till you come to know mankind by your own experience I know no thing nor no man that can in the meantime bring you so well acquainted with them as La Rochefoucauld his little book of Maxims which I would advise you to look into for some moments at least every day of your life is I fear too like and too exact

a picture of human nature I own it seems to degrade it but yet my experience does not convince me that it degrades it unjustly The Maxims were first published in 1665 under the title Reflections or sentences and moral maxims and the edition of 1678 the fifth from which the text has been used for the present translation was the last revised by the author and published in his lifetime with maxims numbered 1 to 504 Maxims which appeared in previous editions and were suppressed by La Rochefoucauld can be found in the second part entitled Maxims withdrawn by the author here numbered 505 to 583 The French original of this bilingual edition was reviewed by Philippe Renaud The English translation originally by John William Willis Bund and James Hain Friswell has been thoroughly revised by Rebecca Hazell and Philippe Renaud *The Defective Version of Mandeville's Travels* Michael C. Seymour, 2002 Mandeville's Travels was written in French in c 1356 by an unknown author possibly a regular in an abbey in northern France This volume an edition of the earliest and most important English translation of the French text of the Travels contains a full commentary with new information about the sources
