A Study Guide for James Hurst's "The Scarlet Ibis" Gale, Cengage Learning, A Study Guide for James Hurst's *The Scarlet Ibis* excerpted from Gale's acclaimed *Short Stories for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Short Stories for Students* for all of your research needs. *Critical Approaches to Teaching the High School Novel* Crag Hill, Victor Malo-Juvera, 2018-10-25 This edited collection will turn a critical spotlight on the set of texts that has constituted the high school canon of literature for decades. By employing a set of fresh, vibrant critical lenses such as youth studies and disabilities studies that are often unfamiliar to advanced students and scholars of secondary English, this book provides divergent approaches to traditional readings and pedagogical practices surrounding these familiar works. By introducing and applying these interpretive frames to the field of secondary English education, this book demonstrates that there is more to say about these texts, ways to productively problematize them, and to reconfigure how they may be read and used in the classroom. **The Outdoorsman's Handbook (formerly The Angler's Guide)** Wainwright Randall, Reuben Johnson Held, Edward Baldwin Rice, Warren Hastings Miller, 1909 **The Angler's Guide** Wainwright Randall, 1909 **The American Shorthand Teacher**, 1929 **McDougal, Littell English: Teacher's ed** Allan A. Glatthorn, 1988 **Guide to Caribbean Family Vacations** Candyce H. Stapen, 2003 Families seeking the ideal Caribbean vacation will find it in these pages. Whether you're traveling with toddlers, teens, or twenty-somethings, look inside for the best activities to be enjoyed in the islands as well as on the Caribbean coasts of Mexico, Belize, Honduras, and Costa Rica. The National Geographic Guide to Caribbean Family Vacations takes you to the beach, but it doesn't strand you there. Family travel expert Candyce H. Stapen has journeyed throughout the region to present the gamut of family-friendly activities. From snorkeling little-known coral reefs to swimming with dolphins to riding horses along a windswept beach, you'll find it here. Tips accompanying site write-ups guide you to key aspects of a destination, while detailed Travelwise boxes provide lodging, contact, and outfitter information. In-depth features showcase the aspects of Caribbean culture that will appeal most to children: the region's music, its carnivals, and its food, from conch fritters to soursop ice cream. Book jacket **Storks, Ibises, and Spoonbills of the World** James Hancock, James A. Kushlan, M. Philip Kahl, 2010-09-30 Everything you ever wanted to know about storks, ibises, and spoonbills. Some of the world's largest and most spectacular birds are to be found among this group of wading birds. Tragically, they also include many of the world's most endangered species, as changes in land use erode their wetland habitats. Some, like the White Stork, have lived alongside humans for hundreds of years and are well known from numerous studies. Others, like the Storm's stork and ibises of West Africa, South East Asia, and South America, live so secluded a life in the remote corners of the globe that they will probably be extinct before even the most basic details of their biology are known. In this monograph, three authors and two artists have combined their skills to capture what is known of this group.
