Nostradamus Prophecies Premier Edition:

Nostradamus Mario Reading, 2015-06-09 Featuring updated author commentaries this is an internationally bestselling selection of the famous seer's most relevant prophecies Nostradamus is widely known as the greatest diviner and visionary who ever lived In the whole of publishing history only the Bible has sold more copies than his prophecies which have been in print since his death in the 16th century Using a revolutionary new analysis of the secret dating of Nostradamus's prophecies The Complete Prophecies for The Future reveals startling new interpretations offering answers to relevant questions Is the demise of the British monarchy inevitable Will there be a Global War and if so what will this mean for the world's climate Nostradamus predicted the Twin Towers disaster of 9/11 the 2003 Iraq War Hurricane Katrina the devastating tsunamis of 2004 2005 and he foretold the future for decades to come Thanks to Mario Reading's groundbreaking translations and sharp knowledgeable commentaries readers can now scan the future history of the 21st century before it happens *Nostradamus* Francis X. King, 1997-03-15 From the execution of Charles I the Great Fire of London and the rise and fall of Napoleon to the atrocities of the Third Reich the assassination of John F Kennedy and the Gulf War in 1991 Nostradamus foretold some of the most cataclysmic events in history Contains Nostradamus's prophecies relating to the years 1993 A D onwards and his predictions that have already been fulfilled Includes previously unpublished surprising and alarming interpretations of quatrains that refer to the years 1993 to 2100 This book reveals the breadth of vision and astonishing accuracy of some of Nostradamus's fulfilled predictions **Complete Prophecies of Nostradamus** Nostradamus, N. Halley, 1999 Who was Nostradamus and what faith should we place in his predictions This book gives objective answers It reveals that Michel de Nostredame a 16th century French doctor was more Renaissance man than arcane magician and that his prognostications can be compellingly astute In this edition all of the cryptic short verses of Nostradamus's Centuries appear in the original French with new translations Uncanny prophecies such as those of the French Revolution and the rise of Hitler are examined in detail Here too are interpretations of the many verses believed to augur future events Editor Ned Halley works in fields of journalism as diverse as medicine wine and business He takes a Plain English approach to a subject far too often wreathed in language that seems calculated to obscure rather than to demonstrate the truth The Prophecies of Nostradamus and the World's Greatest Seers and Mystics Francis King, Stephen Skinner, Carlton Books, Dr Stephen Skinner, 2000 This book contains hundreds of predictions covering dates from now up to the year 2100 not only by Nostradamus himself but by other great and famous mystics **Three Temporal Kings** Michal Deschausses, Michel Nostradamus, 2011-04-26 Each quatrain of the Centuries of Nostradamus relates an event specific to one of three Antichrists and startling details are reinforced by vast historical research This grand light shed on messages through the divine prophet makes the entire context of the verses comprehensible with a consistent theme that relays an important message about the proven past the active present and the near future of the world This clarification of the enigmatic verse of Nostradamus is the most comprehensive bringing the first

true understanding that each surface verse discusses one of three temporal kings commonly known as Antichrists What if an understanding of the past present and future with all certainty halted naive debate In an age of uncertainty about the future many people look to the wisdom of the prophets This monumental effort stimulates not only mental and emotional well being but also spiritual health People want to know how truth impacts survival in an uncertain world nearing the vastly misunderstood prophesied year of 2012 The highest difficulty remains in determining truth The past helps develop understanding of what led to current conditions Without emotional physical mental and spiritual elements to fulfill the record of history the wealth of our past and the understanding of our future remains impotent Nostradamus a divine prophet focused on revealing the spiritual and material destiny of the world in order to prepare humankind for the future and reconnection to the Divine His prophecies have been in print for approximately 500 years which is longer than any book except the Holy Bible The prophecies of Nostradamus are biblically sound coinciding directly with the honored messages of biblical prophets from Abraham through the Apostle John Each new generation of people has continued to pour over the verses of Nostradamus seeking higher truth and understanding A critical new understanding reveals that Nostradamus prophesied and wrote specifically about three Antichrists reigning from the year 1700 2000 A D and beyond Two of these Antichrists dominated the human race culminating spiritual forces into the Third Antichrist the One who will fully incarnate the supernatural forces of Satan ultimately torturing humanity in the final war against God bringing the End of Days From the Author Newscasters know the importance of the emotional spiritual physical and mental aspects of life as they combine all of these qualities to make the news appealing to the masses The recording of history has none of the reality of these combined elements that help us understand the fullness of life Likewise the writings of Nostradamus have never been fully understood because interpreters have not been able to incorporate true wisdom which is the ability to bring forth the divine message in the fullest emotional spiritual physical and mental realities
