*Deep Change* Angela B. Peery,2004 Professional development for teachers is at a crucial period In order to help students meet demanding new standards teachers must teach differently and have greater success than ever before In order to teach better teachers must experience powerful professional development Inservice as educators now know it must change The

concept of teacher as learner must be explored more deeply by educators At the core of this concept is the idea that many reforms undertaken in the name of greater student learning also apply to the ongoing learning of teachers In *Deep Change* Peery examines both theory and practice and recommends five key processes for increasing teacher learning which will improve staff development at a minimal cost Peery also includes numerous examples of teacher growth taken from diverse contexts Whether you are a principal staff development administrator or teacher leader coaching other educators and regardless of the unique complexities of your school you will find ideas to liven and intensify the learning of teachers in this book *Growing Together* Jeffrey L. Schein, Judith S. Schiller, 2001 **Religion in America** Julia Corbett

Hemeyer, 2015-07-17 *Religion in America* gives students and teachers a comprehensive yet concise introduction to the changing religious landscape of the United States Extensively revised and updated the Sixth Edition continues to engage students in reflection about religious diversity The author presents the study of religion within the context of the humanities as a tool for developing understanding and appreciation of communities of faith other than one's own and for understanding the dynamics at work in religion in the United States today *Open Minds to Equality* Nancy Schniedewind, Ellen Davidson, 1998 Educators are becoming increasingly concerned with more areas of discrimination and inequality that affects students For example as more immigrant students enter schools understandings and skills for educating about language discrimination are needed Similarly as educators become more aware of the negative consequences of homophobic behavior on students knowledge and approaches for dealing with homophobia in schools are called for *Open Minds to Equality* deals with the expanding range of equity concerns Membership in the largest association National Association for Multicultural Educators is growing by leaps and bounds State level associations are being started in these subjects all across the country While focusing on discrimination based on race gender class and age the second edition also addresses bias based on religion mental and physical ability sexual orientation and language It provides educators an inclusive framework for thinking about diversity and responding practically to all these forms of difference in their classrooms Activities in the book address both content and process The content broadens the reader's awareness of the causes of inequality particularly how differences are used to justify inequality It encourages questions and the exploration of many sources of information and various points of view The process is experiential participatory cooperative and democratic This book is extremely helpful for teachers facilitators staff development programs and curriculum specialists It is also appropriate for professionals in educational settings outside of schools such as camps scouts church groups and youth agencies all of which bought the first edition of this book A Longwood Professional Book **Keepers of Life** Michael J. Caduto, Joseph Bruchac, 1998 This interdisciplinary curriculum in botany and plant ecology focuses on environmental and stewardship issues using the framework of Native American stories as an introduction to the topics *Play Therapy and Telemental Health* Jessica Stone, 2021-09-05 *Play Therapy and Telemental Health* gives clinicians the tools they need to bring their therapy sessions online Chapters present

the fundamentals of play therapy and telemental health therapy and introduce play therapists to a variety of special populations and interventions specific to telemental health Expert contributors discuss using a wide variety of telehealth interventions including Virtual Sandtray nature play and EMDR with children affected by autism trauma and more Readers will learn how the fundamentals of play therapy can be expanded to provide effective treatment in web based sessions This is a vital guide for any clinician working in play therapy in the 21st century
