a healthier more nutritionally balanced diet What the reviewers said Wow I couldn't taste the difference And that Mississippi Mud Cake I'd buy the cookbook just for that What a fantastic taste I could eat that every day Mia Kalyvides I made an entire gluten free meal and I was blown away It tasted so good and I couldn't believe it was gluten free The cakes cookies you would never have known they were gluten free at all Well done and thank you Annie and Gina I'm so grateful to have this resource at last Cass Cheung The food was appetising and filling yet light in texture the chicken is succulent You could really taste the ingredient with each mouthful The steamed fish just melts on the palate and was beautifully complemented by simple ingredients that enhance its natural flavour they brought out the flavour and added a further dimension to it The coconut pie is sweet enough to satisfy any dessert lover's palate and deliciously moreish without overpowering the senses You could really distinguish the coconut in a pure sense and it was deliciously moreish Farah Farahi The chocolate cake was divine and had the balance of soft and melting with crusty for a satisfying bite just right Not overpoweringly sweet and light to digest Overall the best thing about the dishes these recipes produce is that they fill you in a satisfying manner whilst not overpowering each other you could really enjoy each No bloated feeling or discomfort so for once you really can have your cake and eat it Rosha Khan I anticipated gluten free food would be tasteless heavy on the stomach and wholly unappetising or certainly several notches down from the artificially flavoursome nature of processed foods In the event I was pleasantly surprised by how good these recipes taste They were light truly packed with natural flavours very satisfying on the palate and deliciously moreish Shahnaz Farid
