Wallace, 1909 **Byte**, 1985 **Clinical Case Studies in the Behavioral Treatment of Alcoholism** William M. Hay, Peter E. Nathan, 2012-12-06 There is no shortage of books on behavioral research on behavioral research on alcoholism or on behavioral research on alcoholism treatment Most of the authors of chapters in this book have been involved in the writing of these books The books and their authors have played an important role in the dramatic increase in the influence of behavioral approaches to one of our society's most troubling human problems There are not many books though which detail the longitudinal course of the behavioral therapies none doing so for behavior therapy with alcoholics and problem drinkers That this book now appears then is a first made more valuable by the fact that the chapter's authors are both researchers and clinicians willing and able to combine respect for empirical data with clinical sensitivity and compassion concern and commitment for their patients The chapters in this book reveal important commonalities and telling divergencies in technique strategy and treatment tactics Despite a common perspective on etiology and treatment the authors of the chapters in this book diverge in criteria for deciding on treatment goal choice of initial intervention target the specifics of techniques used and follow up procedures Common to all though is an openness to innovation a pragmatic appreciation of approaches that work and a sincere respect for the patient and his or her fundamental desire for a healthy happier and more productive life The eBay Price Guide Julia L. Wilkinson, 2006 Provides lists of selling prices of items found on eBay in such categories as antiques boats books cameras coins collectibles dolls DVDs real estate stamps tickets
