Culinary Colonialism, Caribbean Cookbooks, and Recipes for National Independence Keja L. Valens, 2024-02-16 Women across the Caribbean have been writing reading and exchanging cookbooks since at least the turn of the nineteenth century These cookbooks are about much more than cooking Through cookbooks Caribbean women and a few men have shaped embedded and contested colonial and domestic orders delineated the contours of independent national cultures and transformed tastes for independence into flavors of domestic autonomy *Culinary Colonialism Caribbean Cookbooks and Recipes for National Independence* integrates new documents into the Caribbean archive and presents them in a rare pan Caribbean perspective The first book length consideration of Caribbean cookbooks *Culinary Colonialism* joins a growing body of work in Caribbean studies and food studies that considers the intersections of food writing race class gender and nationality A selection of recipes culled from the archive that *Culinary Colonialism* assembles allows readers to savor the confluence of culinary traditions and local specifications that connect and distinguish national cuisines in the Caribbean

Reflections and Recipes Revealed D.S.R, 2014-02-06 In this concise candid and compelling book immigrants from over a dozen countries reveal some of their experiences while learning English in the United States Immigrants come to the Land of Freedom for various reasons The students who have agreed to share their experiences all came here as service members spouses of soldiers or relatives of someone affiliated with the military Although some have earned degrees in their countries they are hesitant to interact or speak for fear of being misunderstood or ridiculed because of their inability to speak or understand English Difficulties associated with obtaining employment and communicating effectively surface because of the language barrier This barrier diminishes their self esteem and alters their attitudes There are those who have actually returned to their countries out of frustration In this book these are the voices of those students who decided to stay and immerse themselves into the learning process They believe they can acquire the language skills and customs necessary to participate and contribute in some measure to their families and society Additionally they decided to share some of delectable dishes which dominate their domains With cuisine there is no language barrier **Recetas de cocina**
