Riding the Trail of Tears Blake M. Hausman, 2011-03-01 Sherman Alexie meets William Gibson Louise Erdrich meets Franz Kafka Leslie Marmon Silko meets Philip K Dick However you might want to put it this is Native American fiction in a whole new world A surrealistic revisiting of the Cherokee Removal Riding the Trail of Tears takes us to north Georgia in the near future into a virtual reality tourist compound where customers ride the Trail of Tears and into the world of Tallulah Wilson a Cherokee woman who works there When several tourists lose consciousness inside the ride employees and customers at the compound come to believe naturally that a terrorist attack is imminent Little does Tallulah know that Cherokee Little People have taken up residence in the virtual world and fully intend to change the ride s programming to suit their own point of view Told by a narrator who knows all but can hardly be trusted in a story reflecting generations of experience while recalling the events in a single day of Tallulah s life this funny and poignant tale revises American history even as it offers a new way of thinking both virtual and very real about the past for both Native Americans and their Anglo counterparts

Food and Drink in American History

Andrew F. Smith, 2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history
