Food, Sex, Wine and Cigars : A Memoir Lisa Stalvey,2015-07-02 My memoir spans the first twelve years of my life as a professional chef I was living in hell from September 1980 until 1993 facing many unforeseen challenges in every aspect of my life I planned on making this a cookbook twenty two years ago Then one day in 2011 it came to me that it needed to be a memoir so I just sat down and wrote While writing this book I found myself craving to feel hungry again and with that came misery The old habits of anorexia truly never leave They linger around waiting for the chance to pounce again I think that both my parents being artists of sorts gave me an interesting view of life We were totally allowed our freedom and they gave us their trust As I was being rushed to the hospital staring at three of my severed fingers floating in ice water I couldn't believe what just happened At age twenty four I was pretty thin and working as a line cook among Hollywood's elite I was about to get married but it all came to a screeching halt in 1980 when I severed three of my fingers in an industrial Cuisinart in the kitchen where I worked I describe my journey through the most difficult time of my life suffering from anorexia and living with a disability How could my life continue after losing three of my precious fingers and on my right hand no less Miraculously I pulled myself out of anorexia by finally seeing my body as it really was I began to slowly heal though it took almost thirty one more years I read self help books recited affirmations and began to seriously search for the missing piece of my heart This is my account of being a woman in a male dominated industry complete with a complicated relationship with food and a man resulting in a long self destructive streak I have been cooking for thirty eight years professionally including an apprenticeship in 1980 with Wolfgang Puck ultimately becoming his head chef at Spago Sunset I can't wait to read anything that she writes Marc Vetri Philadelphia restaurateur named one of the Top Ten Chefs in America **Tried and True Recipes** ,1889 **The Cocktails of the Ritz Paris** Colin Peter Field,2003-06-02 The former bartender at the Ritz Paris's legendary Bar Hemingway reveals the intoxicating secrets for concocting the world's greatest cocktails with more than 50 drink recipes and full color illustrations throughout **The Mountain Knows the Mountain** Philip Connors,2025-09-16 From firewatcher poet comes a powerfully meditative work with a basis in Japanese poetic form Haibun comps are Peter Matthiessen's Snow Leopard and The Nine Headed Dragon River Terry Tempest Williams Barry Lopez and even Norman MacLean's Young Men and Fire Multi award winning writer Philip Connors had been a fire watcher in the Gila Wilderness for fourteen straight summers when he sustained an injury and was forced to miss a year recovering When he returned he resolved to see the mountain with fresh eyes and to keep a detailed notebook The result is The Mountain Knows the Mountain a meticulously observed experience of one fire season chronicled in haibun the centuries old prose form dating from Basho's Narrow Road to the Interior that recounts both inner and outer journeys and incorporates traditional haiku as an occasional element of narrative counterpoint Though only a beginner in the practice of haiku Connors deftly weaves close observation personal reflection and memory with hard won knowledge of the forest of the mountain and of fire The Mountain

Knows the Mountain is both mythic and immediate a chronicle of daily events granular in their specificity but connected to larger themes of the observed world and the inner life of the observer Connors captures the various moods of a long season on a mountain plays with language and ways of seeing and includes contributing perspectives from his partner M nica Ortiz Uribe and his friend the late editor and publisher Bobby Byrd Together with the author s own simple drawings the resulting snapshots offer incisive visions of how to be intimate with the wild
