soulmates dependable family types or simply good companions female fantasies about men tell us a great deal about the
history of women In Heartthrobs Carol Dyhouse draws upon literature cinema and popular romance to show how the
changing cultural and economic position of women has shaped their dreams about men When girls were supposed to be
shrinking violets passionate females risked being seen as unbridled or dangerously out of control Change came slowly and
young women remained trapped in a double bind you may have needed a husband in order to survive but you had to avoid
looking like a gold digger Show attraction too openly and you might be judged fast and undesirable Education and wage
earning brought independence and a widening of horizons for women These new economic beings showed a sustained
appetite for novel reading cinema going and the dancehall They sighed over Rudolph Valentino s screen performances as
