Reckless Weekend Reckless Beat English Edition:

Reckless Weekend Eden Summers, 2014-03-04 I laughed and cried and then laughed while I was crying 5 stars Group Review from the ladies of Riverina Romantics The story was perfect the lists of dares were hilarious the drama was fun to watch unfold the sexy time was off the charts and every single scene made me feel as if I was in the room with these characters 5 stars Love Words Books Story 2 5 in the Reckless Beat series In Vegas a lot can happen in twenty four hours What do you get when you mix a rock band as hot as Reckless Beat women strong enough to capture several of the bad boys hearts and a bet that sparks a competitive streak Boundaries will be pushed alcohol will be abused and loads of sarcasm will be shared Once the games are over it s time to make a commitment But love in the limelight is never easy The past is trying to catch up with the present and the pressure may be too hard to handle Seduction torment laughter and heartbreak one reckless weekend will test each member of the band and the women who ve claimed their love

Intuitions of Justice and the Utility of Desert Paul H. Robinson, 2013-03-26 Research suggests that people of all demographics have nuanced and sophisticated notions of justice The core of those judgments is often intuition rather than reason Should the criminal law heed what principles are embodied in those deep seated judgments In *Intuitions of Justice and the Utility of Desert* Paul H Robinson demonstrates that criminal law rules that deviate from public conceptions of justice and desert can seriously undermine the American criminal justice system s integrity and credibility by failing to recognize or meet the needs of the communities it serves Professor Robinson sketches the contours of a wide range of lay conceptions of what criminals justly deserve touching upon many issues that penal code drafters or policy makers must face including normative crime control culpability grading sentencing justification and excuse defenses principles of adjudication and judicial discretion He warns that compromising the American criminal justice system to satisfy other interests can uncover the hidden costs incurred when a community s notions about justice are not reflected in its criminal laws *Intuitions of Justice and the Utility of Desert* shows that by ignoring the views of justice held by the communities they serve legislators policymakers and judges undermine the relevance of the criminal justice system and reduce its strength and credibility creating a gap between what justice a community needs and what justice a court or law prescribes
