Hirsch, Jr.,2009-10-14 The invaluable grade by grade guide kindergarten sixth is designed to help parents and teachers select some of the best books for children Books to Build On recommends for kindergartners lively collections of poetry and stories such as The Children s Aesop and imaginative alphabet books such as Bill Martin Jr s Chicka Chicka Boom Boom and Lucy Micklewait s I Spy An Alphabet in Art for first graders fine books on the fine arts such as Ann Hayes s Meet the Orchestra the hands on guide My First Music Book and the thought provoking Come Look with Me series of art books for children for second graders books that open doors to world cultures and history such as Leonard Everett Fisher s The Great Wall of China and Marcia Willaims s humorous Greek Myths for Young Children for third graders books that bring to life the wonders of ancient Rome such as Living in Ancient Rome and fascinating books about astronomy such as Seymour Simon s Our Solar System for fourth graders engaging books on history including Jean Fritz s Shh We re Writing the Constitution and many books on Africa including the stunningly illustrated story of Sundiata Lion King of Mali for fifth graders a version of Shakespeare s A Midsummer Night s Dream that retains much of the original language but condenses the play for reading or performance by young students and Michael McCurdy s Escape from Slavery The Boyhood of Frederick Douglass for sixth graders an eloquent retelling of the Iliad and the Odyssey and the well written American history series A History of US and many many more **Parallel Curriculum Units for Language Arts, Grades 6-12** Jeanne H. Purcell,Jann H. Leppien,2009-08-25 The Parallel Curriculum Model PCM holds the power to help students and teachers see the whole of what they are learning We invite practitioners to read more about this model and join us on a professional journey that we believe will yield that joy and wisdom that comes from seeing the whole To address the varying needs of teachers across the K 12 grade span as well as different content areas we decided to create a series of

curriculum units based on PCM that could be used by practitioners It is our hope that the lessons not only underscore important and discipline specific content but also illuminate the four parallels in unique and enduring ways From the Introduction Design exemplary language arts lessons based on the Parallel Curriculum Model Want to create rigorous learning opportunities for students in language arts based on a deeper understanding of pedagogy and curriculum design As demonstrated in the best selling book *The Parallel Curriculum* the Parallel Curriculum Model PCM allows teachers to determine student performance levels and design intellectual challenges that help students develop expertise in specific subject areas *Parallel Curriculum Units for Language Arts Grades 6-12* provides sample language arts units written by practicing teachers to demonstrate what high quality curriculum looks like within a PCM framework Covering a variety of topics including narrative voice literary criticism and writing original pieces these field tested units each contain Teacher rationales explaining the unit design Connections to concepts skills and national or state standards Step by step directions for delivering the lessons and unit Modification strategies assessments and reproducibles Use these examples to design your own units and deepen your understanding of how the PCM framework helps tailor curriculum to the abilities interests and learning preferences of each learner
