The RRSP Secret Greg Habstritt, 2010-05-18 If you re a Canadian investor who s feeling ripped off lately you re not alone Canadians pay the highest fees in the world when it comes to investments in RRSPs and other registered accounts Is this just because Canadians are foolish or is there something more sinister at work Now and for the first time The RRSP Secret reveals many of the financial industry s most closely guarded secrets providing the individual investor an unprecedented view into how the financial system negatively impacts the financial freedom of most Canadians More importantly the book outlines specifically how to defend your wealth and use a little known strategy to create double digit returns the same way the banks do You ll never hear a bank manager or financial advisor tell you about this secret strategy and you won t read about it in the newspaper Why Because they d rather continue selling you underperforming investments that increase their profits instead of making you wealthy The financial industry is a massive marketing machine that isn t designed to make you money and the only way you ll become financially free is if you take control of your financial future and this is your opportunity In The RRSP Secret Greg Habstritt teaches you how to use the money in your RRSP TFSA and other registered savings accounts to invest in one of the most reliable and secure investments available to you and it s exactly the same strategy that the banks use to create profits themselves You ll finally be empowered to turn the tables on the financial industry and beat them at their own game You ll learn how to invest for double digit returns without having to take massive risks or pay hidden fees and commissions Stop being taken advantage of and start making better decisions with your money Your financial future starts now Testimonials Greg Habstritt is a multi millionaire who can show you exactly how to build massive wealth by using cutting edge strategies and a formula for predicting markets I teach people to learn from the best and there s no one better than Greg T Harv Eker Author of the 1 New York Times bestseller Secrets of the Millionaire Mind I have known Greg Habstritt for several years and have always appreciated his integrity honest approach and willingness to tell it like it is The concepts you ll read about have been used by wealthy Canadians for decades and now for the first time they re being shared in a very straightforward step by step guide Don R Campbell President of the Real
