Red Faction Guerrilla Guide:

A Guerrilla Guide to Refusal Andrew Culp, 2022-03-15 A field guide to a nonfascist life at the end of the world as we know it A Guerrilla Guide to Refusal is an unexpected approach to philosophy from a guerrilla logic point of view Harnessing critical theory to creatively reimagine counterinsurgency guerrilla warfare and interventions beyond the political mainstream it takes us on a journey through anarchist infowar queer outlaws and black insurgency through a subterranean network of communiques military documents contemporary art political slogans adversarial blogs and captive media In doing so it provides powerful new insight into contemporary political movements that pose no demands refuse labels and offer no solutions Written to both inspire and provoke A Guerrilla Guide to Refusal urges us to think through the refusal to participate in politics as usual Author Andrew Culp demonstrates how evasion can combatively deny the existing order its power Focusing on punk cinema anarchist pamphlets feminist art projects hacker manifestos and guerrilla manuals he foregrounds invisibility as a novel force of disruption He draws on concepts of criminality fugitivity and anonymity to bring a more nuanced understanding of how power makes things and people visible The book s unique format is that of a theoretical manual comprising freestanding segments instead of blueprints Poised to reach beyond the academy into activist circles this potent theory in action intervention forces us to reconsider the terrain upon which our struggles against patriarchy anti Blackness capitalism and the state operate
