

Dear Parents,

I am so grateful to have your child in my math and science classroom this year! I have a great year planned for your student and will put forth my best efforts to ensure they are successful. I am looking forward to working with your child as we dive into new and exciting lessons in math and science. Please feel free to contact me if you have any questions or concerns throughout the year. Welcome to third grade!

***Some routines we will use throughout the year:**

Conduct Folders: Each student will be given a conduct grade at the end of each week. I ask that you please sign the parent signature section each weekend and have your student return the folder on Monday.

Homework: Your students' homework will be located in their conduct/homework folder and must be completed each night. It will be graded for completion.

Graded Papers: I will send home graded papers with each student when I feel that we have accumulated enough. Graded papers will need to be signed and returned.

Newsletters: I will send home a newsletter periodically updating you on what we are learning in class and how you can help your student at home.

Sincerely,
