Harris, 2005 Nursing The Nurse as Executive Barbara Stevens Barnum, Karlene M. Kerfoot, 1995 This new edition of Aspen's bestselling book *The Nurse as Executive* has been thoroughly revised and updated to reflect the significant changes in nursing management. The nurse executive's role as a member of the executive team is examined as well as the nurse executive's role in health care issues such as quality outcomes, team building, and cost containment. Organizing the book around the new resource-driven management model rather than the goal-driven management model makes this book unique and distinguishes it from other management texts.

Competency in Home Care Terasa Astarita, Gayle Materna, Cynthia Blevins, 1998 *Competency in Home Care* doesn't just describe the standards of practice; it gives you the resources to meet them. It provides practical, authoritative guidance for creating effective staff development plans, designing orientation programs that get caregivers up to speed immediately, establishing performance criteria for every position in the home care continuum, and ensuring ongoing competency. Plus, you get powerful insights into the growth of modern home care. The role of competency programs in staff recruitment and retention and how to get it done in any organization, regardless of background, makeup, or affiliation.

Introduction to Management and Leadership for Nurse Managers Russell C. Swansburg, Richard J. Swansburg, 2002 *Leadership Management Finance* *Emergency Department Compliance Manual, 2018 Edition* McNew, 2018-04-20 *Emergency Department Compliance Manual* provides everything you need to stay in compliance with complex emergency department regulations, including such topics as legal compliance questions and answers, find the legal answers you need in seconds, Joint Commission survey questions and answers, get inside guidance from colleagues who have been there, hospital accreditation standard analysis, learn about the latest Joint Commission standards as they apply to the emergency department, and reference materials for emergency department compliance. The Manual offers practical tools that will help you and your department comply with emergency department-related laws, regulations, and accreditation standards. Because of the Joint Commission's hospital-wide, function-based approach to evaluating compliance, it is difficult to know specifically what is expected of you in the ED. *Emergency Department Compliance Manual* includes a concise grid outlining the most recent Joint Commission standards, which will help you learn, understand, your compliance responsibilities. Plus, *Emergency Department Compliance Manual* includes sample documentation and forms that hospitals across the country have used to show compliance with legal requirements and Joint Commission standards.
