Trade and Receivables Finance Stephen A. Jones, 2018-11-13 *Trade and Receivable Finance* provides the definitive practical guide to the evaluation and mitigation of risk and the financing of international trade This authoritative manual is built upon more than 42 years of experience in the trade and receivables finance market and carries the endorsement of The London Institute of Banking and Finance The contents are comprehensive incorporating clause examples specimen documents financier checklists and diagrams The traditional method of commercial lending assessment places
