Re: Request for Meeting with Representative/Senator _____.

Date

The Honorable (*Name of Representative or Senator*)
United States Senate/House of Representatives
Address
Attention: Appointment Scheduler

Dear Representative/Senator _____:

As a constituent, federal employee, and member of the Federal Managers Association (FMA) Chapter _____ located in _____, I am writing to request an opportunity to meet with you or a member of your staff on [DATE]. I would sincerely appreciate this opportunity to discuss issues of critical concern to the Association, federal managers, and me.

FMA draws its members from more than 40 different departments and agencies across the country. We are a non-profit association whose mission is to promote excellence in public service through effective management, working closely with the Executive Branch and Congress to provide policy-makers with the benefit of our members' views and experiences. FMA has a strong history of providing expert testimony before Congress on a wide range of issues, and we serve on key Executive Branch councils and working groups charged with promoting an effective federal workforce. I would be happy to provide you with a copy of FMA's legislative agenda.

As managers and supervisors in the federal government, FMA members want to provide high-quality services to U.S. taxpayers in the most efficient manner possible. America deserves a first-class, sustainable civil service, and we look forward to continuing the Association's work with Members of Congress toward this end.

Thank you in advance for this opportunity to share FMA's views and opinions with you. I look forward to your reply. I can be reached at (*personal phone number/e-mail*).

With kindest regards, I am

Sincerely yours,

and residents of Illinois continue to claim that channelization caused severe environmental problems in their state Serious and lasting environmental problems have proved intractable The citizens of Indiana and their government made profound and irreversible choices about managing a vast wetland and a river within the state s borders The story of the conversion of the Kankakee Marsh to farmland is an object lesson in the manifold problems that arise from the imperatives of unrestrained environmental exploitation The Register United States. Breck Hitz,2014-12-31 This book describes the approaches both successful and not to the political and infrastructure issues addressed by the trade association The intent is to provide guidance to those confronting similar issues and help them avoid unsuccessful approaches Includes end of chapter summaries Example of documents and approaches that LEOMA used successfully are included and could serve as a guide to other trade associations Chapter 5 includes figures presenting the unique and effective graphical approach that LEOMA use to improve US national security export controls Sports Law in Hungary Andras Nemes,2018-02-28 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of sports law in Hungary deals with the regulation of sports activity by both public authorities and private sports organizations The growing internationalization of sports inevitably increases the weight of global regulation yet each country maintains its own distinct regime of sports law and its own national and local sports organizations Sports law at a national or organizational level thus gains a growing relevance in comparative law The book describes and discusses both state created rules and autonomous self regulation regarding the variety of economic social commercial cultural and political

aspects of sports activities Self regulation manifests itself in the form of by laws and encompasses organizational provisions disciplinary rules and rules of play However the trend towards more professionalism in sports and the growing economic social and cultural relevance of sports have prompted an increasing reliance on legal rules adopted by public authorities This form of regulation appears in a variety of legal areas including criminal law labour law commercial law tax law competition law and tort law and may vary following a particular type or sector of sport It is in this dual and overlapping context that such much publicized aspects as doping sponsoring and media and responsibility for injuries are legally measured This monograph fills a gap in the legal literature by giving academics practitioners sports organizations and policy makers access to sports law at this specific level Lawyers representing parties with interests in Hungary will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative sports law
