SAMPLE MATH TEST

This is a sample math test which is very similar to the math test that is given to an applicant as part of the “application process” for entrance to the Plumbers & Steamfitters Local #486 Apprenticeship Program. You may wish to go over the sample math test to become familiar with the questions prior to making application to the school. Do not send this sample test back to the Training School – we do not grade sample math tests.

hearts and unlocking minds are seemingly a forgotten commodity in today's society one that is in desperate need of an overhaul. This message is not only timely but it also exemplifies life-changing scripturally based immediate solutions. It is indeed a time when the schools are depicted as the front runners of fear, disrespect, violence, drug and alcohol abuse as well as teenage pregnancies with an obvious absence of God's grace and mercy. In order to be successful in today's schools we need to incorporate the old school concept: the families, churches, schools, and communities must come together in one accord with children's interest at heart. As the Bible says, "But speaking the truth in love may grow up into him all things which is the head, even Christ, from whom the whole body fitly joined together and compacted by that which every joint supplieth according to the effectual working in the measure of every part, maketh increase of the body unto the edifying of itself in love." (Ephesians 4:15). Unlike others, it does not subscribe to high personalities or gurus coming in with generic solutions but it recognizes our most valuable assets: local school staff, churches, community, and parent interaction, solid instruction, useful assessment, and revamped discipline. These strategies are presented with a step-by-step application without additional cost to the teacher, administrator, or county. This God-propelled book is designed for all school levels from kindergarten to college employees of all ages, demographics, and genders as well as parents.
