Experience: Off To The Park

Date: 19-July-2019

Written by: Lorina

We had such a great afternoon at the park. Hand in hand with our friends we walked to the park. We saw many things along way flowers, pebbles and many different types of rocks. When we got to the park we saw the tall trees, with their leaves swaying in the breeze. We saw many different types of flowers, pink and yellow and dandelions. They smelt so nice and sweet. We touched the rocks we found on the ground. Some were rough and some were smooth. Puddles of water were collected in crevices amongst the rocks, we took our shoes off and danced in the puddles of water. Cool water trickling between our toes. We played ball games. We threw, we caught, we kicked. Oh what a wonderful day at the park!
