Contestation in Prism Flavia Lucenti,Cecilia Ducci,Carmen Wunderlich,Jeffrey S. Lantis,2025-04-30 This book analyses the complex dynamics of international norm contestation and explores how norms adapt and withstand challenges in different settings Examining the interplay between various types of contestation norm robustness and the resilience of norm clusters it sheds light on what the authors define as contestation in prism The book thus presents norm contestation as a multifaceted process with far reaching implications In this context it further discusses different conceptions of contestation ranging from reactive vs proactive contestation and applicatory vs validity contestation

to inadvertent i.e. interpretive vs deliberate contestation. It then develops a theoretical model that links contestation in prism with studies of norm clusters or norms that are embedded in broader normative structures and interwoven with other normative meanings. Based on a strong theoretical framing, the book presents in depth analyses of norm contestation in areas such as regional organizations, nuclear non-proliferation norms relating to atrocities and international criminal law. Offering multifaceted perspectives on norm evolutions and their implications, this contribution will appeal to students, scholars and researchers of international relations and related disciplines as well as policy makers interested in a better understanding of contestation and norm cluster resiliency.

Research Handbook on Mediating International Crises Jonathan

Wilkenfeld, Kyle Beardsley, David Quinn, 2019. Current conceptions of mediation can often fail to capture the complexity and intricacy of modern conflicts. This Research Handbook addresses this problem by presenting the leading expert opinions on international mediation, examining how international mediation practices, mechanisms and institutions should adapt to the changing characteristics of contemporary international crises.

Religion, State and the United Nations Anne

Stensvold, 2016-07-22. This volume approaches the UN as a laboratory of religious political value politics. Over the last two decades, religion has acquired increasing influence in international politics and religious violence and terrorism has attracted much scholarly attention. But there is another parallel development which has gone largely unnoticed, namely the increasing political impact of peaceful religious actors. With several religious actors in one place and interacting under the same conditions, the UN is as a multi-religious society writ small. The contributors to this book analyse the most influential religious actors at the UN, including The Roman Catholic Church, The Organisation of Islamic Countries, the Russian Orthodox Church. Mapping the peaceful political engagements of religious actors, who they are and how they collaborate with each other, whether on an ad hoc basis or by forming more permanent networks, throwing light at the modus operandi of religious actors at the UN, their strategies and motivations. The chapters are closely interrelated through the shared focus on the UN and common theoretical perspectives and pursue two intertwined aspects of religious value politics, namely the whys and hows of cross-religious cooperation on the one hand and the interaction between religious actors and states on the other. Drawing together a broad range of experts on religious actors, this work will be of great interest to students and scholars of Religion and Politics, International Relations and the UN.

The ^AOxford Handbook of Women, Peace, and Security Sara E.

Davies, Jacqui True, 2018-12-11. Passed in 2000, the United Nations Security Council Resolution 1325 and subsequent seven Resolutions make up the Women, Peace and Security (WPS) agenda. This agenda is a significant international normative and policy framework addressing the gender-specific impacts of conflict on women and girls. The Oxford Handbook of Women, Peace and Security brings together scholars, advocates and policymakers to provide an overview of what we know concerning what works to promote women's participation in peace and security, what works to protect women and girls from sexual and gender-based violence and other human rights violations, and what works to prevent conflict and rebuild societies after

conflict drawing on women's experiences and knowledge of building peace from local to global levels **Environmental Anarchy?** Mark Beeson, 2021-07-23 This book explains why insecurity has become such a ubiquitous feature of life in the 21st century and why policymakers, strategic analysts and many scholars are failing to recognise or address its underlying causes The Small Gulf States Khalid S. Almezaini, Jean-Marc Rickli, 2016-12-08 Small states are often believed to have been resigned to the margins of international politics. However, the recent increase in the number of small states has increased their influence and forced the international community to incorporate some of them into the global governance system. This is particularly evident in the Middle East where small Gulf states have played an important role in the changing dynamics of the region in the last decade. The Small Gulf States analyses the evolution of these states' foreign and security policies since the Arab Spring. With particular focus on Oman, Qatar and the United Arab Emirates, it explores how these states have been successful in not only guaranteeing their survival but also in increasing their influence in the region. It then discusses the security dilemmas small states face and suggests a multitude of foreign and security policy options ranging from autonomy to influence in order to deal with this. The book also looks at the influence of regional and international actors on the policies of these countries. It concludes with a discussion of the peculiarities and contributions of the Gulf states for the study of small states' foreign and security policies in general. Providing a comprehensive and up-to-date analysis of the unique foreign and security policies of the states of the Gulf Cooperation Council (GCC) before and after the Arab Spring, this book will be a valuable resource for students and scholars of Middle East studies, foreign policy and international relations.

Genocide, Mass Atrocity, and War Crimes in Modern History James Larry Taulbee, 2017-02-06 Defining genocide as an international crime, this two-volume set provides a comparative study of historical cases of genocide and mass atrocity, clearly identifying the factors that produced the attitudes and behaviors that led to them. It discusses the reasons for rules in war and examines how the five principles laid out in the Geneva Conventions and other international agreements have functioned in modern warfare. Written by an expert on international politics and law, Genocide, Mass Atrocity, and War Crimes in Modern History is an easy-to-understand resource that explains why genocides and other atrocities occur, why humanity saw the need to create rules that apply during war, and how culture, rules about war, and the nature of war intersect. The first volume addresses the history and development of the normative regimes that define genocide and mass atrocity. Through a comparative study of historical cases that pay particular attention to the factors involved in producing the attitudes and behaviors that led to the incidents of mass slaughter and mistreatment, the author identifies the reasons that genocides and mass atrocities in the 20th century were largely ignored until the early 1990s and why even starting then, responses were inconsistent. The second book discusses why rules in war exist, which factors may lead to the adoption of rules, what defines a war crime, and how the five fundamental principles laid out in the Geneva Conventions and other international agreements have actually functioned in modern warfare. It also poses and answers the interesting

question of why we should obey rules when our opponents do not The final chapter examines what actions could serve to identify future situations in which mass atrocities may occur and identifies the problems of timely humanitarian intervention in international affairs

Political Handbook of the World 2018-2019 Tom Lansford, 2019-03-19 The Political Handbook of the World provides timely thorough and accurate political information with more in depth coverage of current political controversies than any other reference guide The updated 2018 2019 edition will continue to be the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup Compiling in one place more than 200 entries on countries and territories throughout the world this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system It also provides names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and UN agencies This comprehensive update will include coverage of current events issues crises and controversies from the course of the last two years including Elections across Europe Referendum in Ireland Rohingya genocide in Myanmar The Venezuelan dictatorship The renaming of Swaziland to eSwatini Qatar diplomacy changes Historic meeting between the United States and North Korea Establishment of a new governing coalition in Liberia

The Undisclosed Facts of South Sudan History Aguer Barac Kuot Rual, 2021-02-26 Before South Sudan got its independence Sudan was at civil wars for two centuries The first civil war started in 1955 and ended in 1972 in an Agreement signed in Addis Ababa The Accords gave South Sudan Autonomy Government but was terminated later after ten years and also after the abolition laws apply all over the Sudan The September Laws has discriminately particular group bases on races religion and colour and ethnicity Because Sharia laws were applied all over the country the officers of the South Sudan army of 105 and 104 battalion rejected Jafaar order by threatening to quell Jafaar order military As a result Numery send machines forces to Bor to quell Kerubino mutiny in May 1983 Because Jafar order was resist the fighting erupted at Battalion 105 Barack in Bor where Kerubino forces defeated and a large number of Jafaar forces killed including Jafaar second commander Because William Nyong was accused by aliening with Kerubino and Anya Anya two forces Therefore President Jafaar Numery issued order of arresting him and he is brought to Khartoum for trial After Bor and Ayod wars was over the SPLM A was formed with the two different ideologies separation and secular united Sudan The separatist and unionist ideology was the cause of the split and the death of many founding fathers of the nation SPLM A In 1997 the split groups signed the agreement known as Khartoum Agreement with regime in Khartoum In 2002 the SPLM A and some of the split groups re joined once again and unify their forces with Garang's forces until Comprehensive Peace Agreement CPA signed in Nairobi Kenya in 2005 After CPA the Transitional Government of National Unity was formed in Sudan and the rights of self determination were exercised and the 99.9% vote for separation leading to the declaration of independence of the South Sudan on 9 July 2011 After 2 years from independence the war within SPLM Kiir and Riek broke out in Juba where thousands killed Due to some reservations from the Kiir and Machar

dogfight erupted in J1 in 2016 until 2018 Revitalise Agreement signed

Gender Equality and Nation Branding in the Nordic Region Eirinn Larsen, Sigrun Marie Moss, Inger Skjelsbæk, 2021-05-25 This book explores how gender equality a central part of the Nordic imaginary is used in the political communication of Nordic states The analyses presented move beyond conventional images and discourses of Nordic gender and women friendliness by critically investigating how and to what extent gender equality serves nation branding in the Nordic region Nation branding is an unescapable part of globalisation which is a market oriented process dominated by the West and predicated on the creation of winners and losers Hence efforts to strengthen the national brand or reputation of specific Nordic countries with the aid of gender equality as a political and symbolic value inevitably help to reinforce already established global hierarchies where the Nordics play the role of moral superpower This book comprises scholars from various fields of specialisation and provides evidence and understanding for the growing interaction between gender equality policies and nation branding in all five Nordic countries It does so by exploring a variety of policy fields and issues including women s rights foreign policy rape and legislation female quotas and business policies in addition to the index industry The rise of the global indexes has reproduced forceful images of the Nordic countries as frontrunners of gender equality which indeed help the Nordic countries to further position themselves as best at being good This book will be of great interest to students and scholars of Nordic gender equality in political science sociology law criminology political psychology and history as well as those interested in nation branding Nordic studies and exceptionalism The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9781003017134> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

The Possibility and Limit of Liberal Middle Power Policies Kohei Imai, 2017-12-13 This book is a comprehensive analysis of Turkish foreign policy through the concept of middle power The author explores why and how Turkey has constructed middle power identity based on liberal foreign policies in order to illuminate the change in post Cold War Turkish state identity in relation to foreign policy behaviors The author further explores state identity and how changes of circumstances norms state self perception and the perceptions of others effects that identity This is done first through a policy analysis of Turgut Zal Necmettin Erbakan and Ismail Cem and second through an examination of AKP s foreign policy experiences and ideas especially in relation to Ahmet Davutoglu

Bulletin of the Atomic Scientists, 1970-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world

Authors Website Occasionally, authors provide excerpts or short

stories for free on their websites. While this might not be the Norway S Peace Policy Soft Power In A Turbulent World full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Norway S Peace Policy Soft Power In A Turbulent World eBooks, including some popular titles.

FAQs About Norway S Peace Policy Soft Power In A Turbulent World Books

What is a Norway S Peace Policy Soft Power In A Turbulent World PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Norway S Peace Policy Soft Power In A Turbulent World PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Norway S Peace Policy Soft Power In A Turbulent World PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Norway S Peace Policy Soft Power In A Turbulent World PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Norway S Peace Policy Soft Power In A Turbulent World PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might

require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
