**Entanglement: a True Story** Claire Thomas, 2014-01-21 If you think having the devil snapping at your heels is scary it's nothing compared to finding God's calm presence at your back every time you stop to draw breath in your race to escape particularly for a determined agnostic like Claire Indeed His presence is so unnerving and unwelcome that it's not until her world crumbles to ashes that she finds the courage to stop running and turn toward Him Moderately psychic and a most earthbound mystic Claire has heard the voice of Thomas from the days of earliest childhood but has worked tirelessly for

most of her adult life to shut it out or shout it down until she made that fateful decision Entanglement is the result of that choice It describes the pain of surviving the traumatic deaths of four beloved people finding the courage to walk away from abuse and oppression and facing the fear of being utterly alone in the world It also explains how confronting fear accepting loss and embracing the unknown and the mystical can create a life of enormous joy and enrichment It focuses on how having the courage to stay in the not knowing can be gloriously life affirming and on how human life on earth is vastly more mysterious than most of us dare to imagine
