Summary

- The fisherman is unhappy with the prospective "Vishoper whom he addresses as ""Master."" He tells this "Master" of the dangers with fishermen daily do get to do fresh fish on the on sit Table and then complain "Master" that the fish are expensive.
- The poem can be seen as all speech true the fisherman has a conversation. There is also progression in the poem where the sea first as calm described and then changed to a sea that people death causes.

Message and theme.

Theme: Every human being must realize that life is expensive, especially that

life of a fisherman. The sea also points to the way that life handles man, sometimes calm and sometimes stormy. It's also about the unreliance of those who are not really part of the process. Man complains easy if you didn't have to struggle with anything yourself.

Message: Man should never underestimate nature. It's more about the interaction between fisherman that does know and buyer that stands out.
