Notre Poison Idien:

The History of Forensic Science in India Saumitra Basu, 2021-08-24 This book explores the interaction between science and society and the development of forensic science as well as the historical roots of crime detection in colonial India Covering a period from the mid 19th to mid 20th century the author examines how British colonial rulers changed the perception of crime which prevailed in the colonial states and introduced forensic science as a measure of criminal identification in the Indian subcontinent The book traces the historical background of the development and use of forensic science in civil and criminal investigation during the colonial period and explores the extent to which forensic science has proven useful in investigation and trials Connecting the historical beginning of forensic science with its socio historical context and diversity of scientific application for crime detection this book sheds new light on the history of forensic science in colonial India Using an interdisciplinary approach incorporating science and technology studies and history of crime detection the book will be of interest to researchers in the fields of forensic science criminology science and technology studies law South Asian history and colonial history *Fables et contes Indiens nouvellement traduits, avec un discours preliminaire et des notes sur la religion, la litterature, les moeurs &c. des Hindoux. Par L. Langles* Louis Mathieu Langles, 1790

American Indian Sovereignty and Law Wade Davies, Richmond L. Clow, 2009-02-04 American Indian Sovereignty and Law An Annotated Bibliography covers a wide variety of topics and includes sources dealing with federal Indian policy federal and tribal courts criminal justice tribal governance religious freedoms economic development and numerous sub topics related to tribal and individual rights While primarily focused on the years 1900 to the present many sources are included that focus on the 19th century or earlier The annotations included in this reference will help researchers know enough about the arguments and contents of each source to determine its usefulness Whenever a clear central argument is made in an article or book it is stated in the entry unless that argument is made implicit by the title of that entry Each annotation also provides factual information about the primary topic under discussion In some cases annotations list topics that compose a significant portion of an author's discussion but are not obvious from the title of the entry American Indian Sovereignty and Law will be extremely useful in both studying Native American topics and researching current legal and political actions affecting tribal sovereignty

American Indian Linguistics Pamphlet Vol , 1885 **Fables et contes indiens** Louis Langlès, 1790 L'uiraêry ou curare João Barbosa Rodrigues, 1903 Fables et Contes Indiens nouvellement traduits avec un discours préliminaire et des notes sur la religion, la litterature, les moeurs &c. des Hindoux. Par L. Langlès , 1790 **Fables et contes indiens nouvellement traduits...par L. Langlès,...** , 1790 The Indian Leader , 1916 *Paul et Virginie. La chaumière indienne. Le café de Surate. du théâtre indien Horace Hayman Wilson,1828 Autobiography of an Unknown Indian Nirad C. Chaudhuri,2023-04-28

The Autobiography of an Unknown Indian by Nirad C Chaudhuri is a profound and introspective account of a man's journey through early 20th century India. The narrative weaves the personal with the historical, using the author's life as a lens to explore the broader struggles of Indian civilization confronting British imperialism and modernity. Chaudhuri's intention is to present not merely a memoir but a historical testimony highlighting the intersection of individual experience with societal evolution. His unique perspective, shaped by an exceptional and unconventional path, offers a vantage point akin to an aerial view, detached yet deeply connected to the land below. Written with unflinching honesty, the book delves into themes of identity, colonialism, and the trajectory of Indian society, emphasizing the tension between the dominant national currents and the often overlooked exceptions that resist them. Addressing an English-speaking audience, Chaudhuri aims to provide insight into the forces that shaped India's trajectory under British rule and beyond. While his experiences are atypical, he argues that their value lies in their ability to illuminate the broader environment through a distinct, independent lens. Chaudhuri candidly critiques both the dominant narratives of his time and the leaders who guide nations into either growth or decline. Through his reflections, he not only grapples with the complexities of India's societal fabric but also examines the role of exceptional individuals who challenge or reinforce prevailing trends. This book stands as a bold declaration of faith in understanding history, culture, and personal identity amidst the relentless tide of change. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1968.

Chefs-d'oeuvre du théâtre indien, traduits de l'original sanscrit en anglais, par M. H.H. Wilson ... et de l'anglais en français par M. Langlois ... accompagnés de notes et d'éclaircissements ... Tome premier [-second], 1828 The Indian Gardener, 1884 le tabac qui contient le plus violent des poisons, la nicotine. Abrège-t-il l'existence ?, 1876
