Milling & Baking News, 2008-03 **Companies and Their Brands**, 1995 *Hitting the Highest Notes* Beverly Sallee, 2004 I love it when something happens that makes my spirit soar You know the feeling Suddenly you are experiencing an awesome wonder the manifestation of a stellar talent the expression of a pure heart the majesty of creation's splendor the thrill of being in the presence of near perfection For me spirit soaring moments occur most predictably when I am listening to a musical performance and the performer is on song as the English say so beautifully That is especially true when the performer is a classical soprano and she hits the high notes with a clarity and purity of tone that sends chills running down the spine and causes an audience to leap to its collective feet with spontaneous applause and cheers This is a book primarily for and about women so the metaphor of a soprano is appropriate

And because I am a musician at heart and by training the metaphor of music will run throughout this book There s a soul song for you to sing a song titled your success that has a melody of joy and a rhythm of satisfaction It s a song only you can sing It s a success only you can achieve And when you do your spirit will soar and others will be inspired to follow your example
