**Reconstructing Performance Art** Tancredi Gusman, 2023-05-26 This book investigates the practices of reconstructing and representing performance art and their power to shape this art form and our understanding of it Performance art emerged internationally between the 1960s and 1970s crossing disciplinary boundaries between performing arts and visual arts Because of the challenge it posed to the ontologies and paradigms of these fields performance art has since stimulated an ongoing debate on the most appropriate means to document preserve and display it Tancredi Gusman brings together international scholars from different disciplinary fields to examine methods media and approaches by which this art form has been represented and re activated over time and its transnational history reconstructed Through contributions and case studies spanning various countries regions and artistic fields the authors outline an innovative theoretical methodological framework for capturing the processes and strategies for transmitting the tangible and intangible heritage of performance art This book will be of great appeal to students researchers and practitioners in the fields of Theatre and Performance Studies as well as Visual Arts and Art History who have an interest in performance art its history and presence in the contemporary artistic and cultural landscape

**The Methuen Drama Companion to Performance Art** Bertie Ferdman, Jovana Stokic, 2020-02-20 The Methuen Drama Companion to Performance Art offers a comprehensive guide to the major issues and interdisciplinary debates concerning performance in art contexts that have developed over the last decade It understands performance art as an institutional cultural and economic phenomenon rather than as a label or object Following the ever increasing institutionalization and mainstreaming of performance the book's chapters identify a marked change in the economies and labor practices surrounding performance art and explore how this development is reflective of capitalist approaches to art and event production Embracing what we perceive to be the oxymoronic status of performance art where it is simultaneously precarious and highly profitable the essays in this book map the myriad gestures and radical possibilities of this extreme contradiction This Companion adopts an interdisciplinary perspective to present performance art's legacies and its current practices It brings together specially commissioned essays from leading innovative scholars from a wide range of approaches including art history visual and performance studies dance and theatre scholarship in order to provide a comprehensive and multifocal overview of the emerging research trends and methodologies devoted to performance art

**Performance Art in Ireland** Aine Phillips, 2015-01-01 This book the first devoted to the history and contemporary forms of Irish performance art in the north and south of Ireland brings together contributions by prominent Irish artists and major academics It features rigorous critical and theoretical analysis as well as historical commentaries that provide an absorbing sense of the rich histories of performance art in Ireland Presenting diverse visual documentation of

performance art practices this collection shows how performance art in Ireland engaged with and in turn influenced and led contemporary performance and Live Art internationally Co published with Live Art Development Agency *Performance* Hanna B. Hölling, Jules Pelta Feldman, Emilie Magnin, 2024-11-22 Representing the output of the research project Performance Conservation Materiality Knowledge this volume brings together diverse voices methods and formats in the discussion and practice of performance conservation Conservators artists curators and scholars explore the ontology of performance art through its creation and institutionalization into an astonishing range of methods and approaches for keeping performance alive and well whether inside museum collections or through folk traditions Anchored in the disciplines of contemporary art conservation art history and performance studies the contributions range far beyond these to include perspectives from anthropology musicology dance law heritage studies and other fields While its focus is on performance as understood in the context of contemporary art the book's notion of performance is much wider including other media such as music theater and dance as well as an open ended concept of performance as a vital force across cultures While providing cutting edge research on an emerging and important topic this volume remains accessible to all interested readers allowing it to serve as a singularly valuable resource for museum professionals scholars students and practitioners Being Together Is Not Enough (strikethrough) vol 1 Five Years, **Being Together Is Not Enough (strikethrough) vol 3** Five Years, *Being Together Is Not Enough (strikethrough) vol 2* Five Years, Re-performance, Mourning and Death Sarah Julius, 2021-10-30 This book examines the recent trend for re performance and how this impacts on the relationship between live performance and death Focusing specifically on examples of performance art the text analyses the relationship between performance re performance and death comparing the process of re performance to the process of mourning and arguing that both of these are processes of adaptation and survival Using a variety of case studies including performances by Ron Athey Julie Tolentino Martin O'Brien Sheree Rose Jo Spence and Hannah Wilke the book explores performances which can be considered acts of re performance as well as performances which examine some of the critical concerns of re performance including notions of illness loss and death By drawing upon both philosophical and performance studies discourses the text takes a novel approach to the relationship between re performance mourning and death *Performance, Identity, and the Neo-Political Subject* Fintan Walsh, Matthew Causey, 2013-04-17 This book stages a timely discussion about the centrality of identity politics to theatre and performance studies It acknowledges the important close relationship between the discourses and practices historically while maintaining that theatre and performance can enlighten ways of being with others that are not limited by conventional identitarian languages The essays engage contemporary theatre and performance practices that pose challenging questions about identity as well as subjectivity relationality and the politics of aesthetics responding to neo liberal constructions and exploitations of identity by seeking to discern describe or imagine a new political subject Chapters by leading international scholars look to visual arts practice digital culture music public events experimental theatre and

performance to investigate questions about representation metaphysics and politics The collections seeks to foreground shared universalist connections that unite rather than divide visiting metaphysical questions of being and becoming and the possibilities of producing alternate realities and relationalities The book asks what is at stake in thinking about a subject a time a place and a performing arts practice that would come after identity and explores how theatre and performance pose and interrogate these questions

**Performing Endurance** Lara Shalson,2018-10-18 Offers a formal account and theory of endurance as a practice in performance art and protest Discusses influential performances by Marina Abramovi Chris Burden Tehching Hsieh Yoko Ono and others as well as 1960s lunch counter sit ins and twenty first century protest camps Essential reading in performance theory art history and political activism
