Performance Budgeting For State And Local Government:

Performance Budgeting for State and Local Government Janet M. Kelly, William C. Rivenbark, 2003 This text describes performance budgeting as the integration of the components of performance management planning performance measurement benchmarking and evaluation into the framework of state and local government budgeting The authors present performance budgeting not as a stand alone budgeting technique but as an extension of the traditional budget process that reconciles financial and operational accountability The authors make frequent references to their original research and personal experiences with performance measurement citizen satisfaction surveys and financial management practices They introduce findings from a nationwide survey of public managers throughout the text to illustrate how managers actually use performance data for decision making The book also includes several case studies in performance budgeting as well as interviews with managers and practitioners Designed for use in undergraduate and graduate level courses in public budgeting financial management this practical text will be equally useful for any student or practitioner involved in performance based management

Performance Budgeting for State and Local Government Janet M. Kelly, 2015-05-18 Provides a comprehensive theoretical and practical framework for informing budget decisions based on the efficiency and effectiveness of service delivery The authors enliven the text with references to their original research and personal experiences with performance measurement citizen satisfaction surveys and financial management practices This edition includes increased coverage of cost accounting procedures and of citizen participation in performance management

Managing America's Small Communities David H. Folz, Edward P. French, 2005-08-25 In their book Managing America's Small Communities David Folz and P Edward French examine the relevant trends executive behavior service quality and service performance measurement in small communities The theme is the value added to small communities that evidence prof

Quicker, Better, Cheaper? Dall Forsythe, 2001-10-18 This volume is a rich compendium of experience and diverse views about systems for introducing greater rationality in American governmental systems With contributions from skeptics as well as proponents it adds to the debate over the utility of performance management in American government Focusing on the Government Performance and Results Act of 1993 GPRA the authors also analyze performance budgeting and management in states and local governments Exploring the performance management movement the book sets out the point and counterpoint between critics and supporters and provides a common vocabulary for discussion Steps to improve performance measures are outlined as well as a discussion of states progress in managing for results New survey data reporting on states performance budgeting is also included The book reports on GPRA implementation at the Social Security Administration advocates linking evaluation research with performance management systems and discusses the limitations of performance incentives in the 1982 federal job training law Practitioners address the New York City Police Department's innovative COMPSTAT system for performance management and review the recent history of performance

budgeting in Florida Also included are case studies from research scholars on benchmarking for Empowerment Zones performance funding for higher education in the states performance management in the Temporary Assistance for Needy Families TANF program under the 1996 national welfare reform act and performance issues in Medicaid food stamps and children s health insurance

Performance-Based Budgeting in the Public Sector Michiel S. de Vries, Juraj Nemec, David Špaček, 2019-01-30 This book provides a comparative analysis of performance budgeting and financing implementation and examines failures and successes across both developed and developing countries Beginning with a review of theoretical research on performance budgeting and financing the book synthesises the numerous studies on the subject The book describes the situation in the US Australia New Zealand Germany Austria and Switzerland Netherlands and Italy as well as in seven developing countries Bulgaria Czech Republic Slovakia Slovenia Ukraine Russia and South Africa at the national and at the local level Each chapter provides historical and descriptive details of successful or failed experiments in performance budgeting and performance financing

The Impact of Performance Budgeting on Public Spending in Germany's Laender Christiane Lorenz, 2012-02-02 Derived from the international literature on experiences with performance budgeting five elements which constitute performance budgeting as a comprehensive system can be identified in this book This new definition is then applied to the German state level in order to investigate whether performance budgeting is effective in Germany in detail whether it actually leads to a reduction of public expenditure With a survey in the state Ministries of Finance and an individually constructed panel dataset the impact of the German performance budgeting reforms on their major aim the enhancement of fiscal discipline is empirically analyzed The main result is that the potential of expenditure savings is prolonged by the enormous investments in the beginning

Budgeting for Local Governments and Communities Douglas Morgan, Kent S. Robinson, Dennis Strachota, James A. Hough, 2017-09-19 Budgeting for Local Governments and Communities is designed as the primary textbook for a quarter or semester long course in public budgeting and finance in an MPA programme Many currently available texts for this course suffer from a combination of defects that include a focus on federal and state budgeting a lack of a theoretical governance framework an omission of important topics and typically a lack of exercises and datasets for student use Budgeting for Local Governments and Communities solves all of these problems The book is exceptionally comprehensive and well written and represents the efforts of veteran authors with both teaching and real world experience Key Features Special Focus on Local Government Budgeting focuses exclusively on budgeting at the local levels of American government which are responsible for spending 40 percent of the taxes collected from citizens Integration of Theory and Practice teaching cases and chapters capture the lessons learned by professional practitioners who have extensive experience in making local public budgeting work on the ground Polity Approach to Local Budgeting presents an introduction to local budgeting as the central political activity that integrates the resources of the community into a unified whole Budgeting is presented as governance work rather than as a unique set of skills possessed by analysts and

financial specialists Legal Historical Economic and Moral Foundations of Local Government Budgeting provides readers with an understanding of how the structures and processes of local budgeting systems are firmly tethered to the underlying core values legal principles and historical development of the larger American federal state and local political systems Electronic Datasets and Budgeting Exercises the text includes access to extensive electronic datasets and practice exercises that provide abundant opportunities for students to learn through doing Extensive Glossary and Bibliography covers terms on the history and practice of local public budgeting **Public Performance Budgeting** Elaine Yi Lu,Katherine Willoughby,2018-10-26 Winner of the the inaugural Best Book Award from the Association for Budgeting and Financial Management Performance budgeting involves costs from the drafting and passage of legal foundations and the political capital and will to implement it to training personnel to create a performance oriented culture and information technology requirements to track performance Through comprehensive examination of performance budgeting laws in depth interviews of those practicing in government agencies and quantitative survey analysis Public Performance Budgeting examines the influence of performance measurement and evaluation on all phases of the budgeting process Lu and Willoughby present original research and case studies to explore how performance is linked to public budgets and government results its impacts on budgeting systems and possible unintended consequences A summary assessment of how performance measurement could and should play a role in furthering performance budgeting is explored in a concluding chapter The first of its kind to spotlight budget practice through the lens of juvenile justice this book is required reading for all those studying public budgeting management and policy Performance Budgeting Reform Alfred Ho,Maarten de Jong,Zaozao Zhao,2019-06-04 Using theoretical frameworks to explore the political organizational and cultural dynamics of performance budgeting this book examines the adoption of performance budgeting in a variety of countries how it has been implemented and why it succeeded or failed Chapters include case studies from a wide range of continents and regions including the U S Africa Asia Australia Europe Latin America and the Middle East Each case study pays careful attention to the unique historical political and cultural contexts of reform and closely examines how performance informed the budgetary process Chapters investigate theory driven analysis focusing on common themes related to international policy diffusion organizational change stakeholder politics and gaming communication and information management principal agent dynamics and institutional constraints Contributors include both scholars and seasoned practitioners with extensive experience in implementing or advising performance budgeting reforms With emphases on both theories and practices this book is written for graduate courses in public budgeting and comparative public administration providing theoretical insights into budgeting reforms in developing countries as well as practice relevant and actionable recommendations for current and future policymakers and budget reformers Performance Management and Budgeting F Stevens Redburn,Robert J. Shea,Terry F. Buss,David M. Walker,2015-01-28 This book provides a fresh look at the process by which governments hold themselves accountable to

their citizens for performance Unlike the plethora of other books in the field it examines all aspects of the Performance Management and Budgeting issue not only from the federal state and local perspectives but also internationally in both developing and developed countries Covering both conceptual and theoretical frameworks in performance management and budget the book analyzes the effectiveness of different approaches Featuring insights from a group of distinguished contributors it ties current performance management approaches into the century old literature on public sector reform and management and presents arguments for and against performance management as well as recommendations on how to improve the enterprise

Performance Budgeting in Local and State Government Edward R. Stiff, 1963 *Performance Budgeting* United States. General Accounting Office, 1993

Performance Budgeting United States. Bureau of the Budget. Library, 1954

Performance Management in the Public Sector Wouter Van Dooren, Geert Bouckaert, Professor of Public Management Director of Public Management Center and Academic Secretary of the Faculty of Social Sciences Geert Bouckaert, John Halligan, 2010-06-10 Tackling the key topics of reform and modernization this important new book

systematically examines performance in public management systems The authors present this seminal subject in an informative and accessible manner tackling some of the most important themes Performance Management in the Public Sector takes as its point of departure a broad definition of performance to redefine major and basic mechanisms in public administration both theoretically and in practice The book situates performance in some of the current public management debates discusses the many definitions of performance and how it has become one of the contested agendas of public management examines measurement incorporation and use of performance information and explores the challenges and future directions of performance management A must read for any student or practitioner of public management this core text will prove invaluable to anyone wanting to improve their understanding of performance management in the public sector

Cost Accounting in Government Zachary Mohr, 2017-04-21 Managerial cost accounting is the financial and managerial tool that is used to estimate the organizational cost of products and services in business and government In recent decades cost accounting in the United States and other advanced industrial countries has been dominated by discussions of Activity Based Costing or ABC While ABC can be shown to produce a more accurate estimate of cost than older and more basic types of cost accounting ABC is not used extensively in many governments We argue that this recent focus on ABC has stifled examination and discussion of how government cost accounting is being used and how it could be used in practice The study of cost accounting practice reveals an important and underexplored area of financial management in government Given the scandals that cost accounting estimates can create and that different types of cost accounting can create different estimates of cost it may be reasonable to ask whether the cost accounting exercise is worth it *Cost Accounting in Government Theory and Applications* addresses these unusual and unusually important topics through a series of studies of different government cost accounting practices The first section of the book presents two chapters on the history and basic elements of cost accounting The second section of the book provides further discussion and case studies of actual cost accounting practices in the main areas that cost accounting has been used in government benchmarking the performance of government services rate setting grant overhead cost recovery and cost management The last two chapters discuss cost accounting practices in Europe and the future of cost accounting These cases span local and federal governments and provide a much needed context to the study of cost accounting in government Aimed at academics researchers and policy makers in the fields of Accounting Public Administration and Government Studies *Cost Accounting in Government Theory and Applications* seeks to address the practical and theoretical gap in government cost accounting research with case studies of different public agencies that are using cost accounting for different purposes The case studies illustrate that different purposes for cost accounting create unique and interesting cost accounting practices The case studies provide useful examples of actual cost accounting systems that can inform both research and instruction [Encyclopedia of Public Administration and Public Policy - 5 Volume Set](#) Domonic A. Bearfield, Evan Berman, Melvin J. Dubnick, 2020-08-14 Now in its third edition Encyclopedia

of Public Administration and Public Policy remains the definitive source for article length presentations spanning the fields of public administration and public policy. It includes entries for Budgeting, Bureaucracy, Conflict resolution, Countries and regions, Court administration, Gender issues, Health care, Human resource management, Law, Local government, Methods, Organization, Performance, Policy areas, Policy making process, Procurement, State government, Theories. This revamped five volume edition is a reconceptualization of the first edition by Jack Rabin. It incorporates over 225 new entries and over 100 revisions including a range of contributions and updates from the renowned academic and practitioner leaders of today as well as the next generation of top scholars. The entries address topics in clear and coherent language and include references to additional sources for further study.

Performance Accountability and Combating Corruption Anwar Shah, 2007
Performance based oversight and accountability can serve as an important antidote to government corruption, inefficiency and waste. This volume provides an analytical framework and operational approaches needed for the implementation of results based accountability. The volume makes a major contribution to the literature on public management and evaluation. Major subject areas covered in this book include performance based accountability, e government, network solutions to performance measurement and improvement, institutions of accountability in governance, legal and institutional framework to hold government to account, fighting corruption, external accountability, ensuring integrity of revenue administration, the role of supreme audit institutions on detecting fraud and corruption and the role of parliamentary budget offices and public accounts committees.

Performance Measurement Patricia de Lancer Julnes, Marc Holzer, 2014-12-18
This volume in the ASPA Classics series compiles the most influential contributions to the theory and practice of performance measurement that have been published in various journals affiliated with the American Society for Public Administration. The book includes major sections of original text along with the readings and provides students and practitioners with a handy reference source for theory development and practice improvement in performance measurement. The coverage is broad including methods and techniques for developing effective performance measurement systems, building performance based management systems and sustaining performance based budgeting. The articles are all classics in the field that have endured the test of time and are considered must reads on performance measurement.
