**Silver in the Blood** Jessica Day George,2015-07-07 New York Times bestselling author Jessica Day George brings dark secrets to life in a lush historical fantasy perfect for fans of Libba Bray and Cassandra Clare **100,000 miles**

**of solitude** Maarten Munnik,2012 For more than three years Maarten Munnik traveled on his motorbike around the world From Europe through Asia to Australia and from South America to Alaska 100 000 miles of culture adventure and most of all butt pain Every single day would be worthy of a chapter in this book but there is just no printing press large enough to print a book like that Therefore you will have to settle with this collection of tales from the road Well aware of his own

unsophisticated view on the world Maarten tells his tales the way he experienced them himself He is no hero not even a real adventurer As he says himself he is just stupid and naive and that combination leads him into through and out of many unusual situations Sometimes dramatic sometimes hilarious but always different [The Crying Orchid](#) Gabriela

Elias,2014-02-19 Michaela Martenz is a dreamer As a young woman living in Eastern Europe in the 1980s she wants adventure and passion in her life and nothing will stop her from achieving that She is courted by Eduard Verner a charming man who promises her that and more but in her naivet she fails to recognize the warning signs of an abusive relationship Ignoring the warnings of her friends and family Michaela marries Eduard and moves away leaving everyone she knows behindincluding her best friend Nikolas who has always loved her But instead of happiness her new life is a nightmare of emotional and physical abuse at the hands of her controlling jealous alcoholic husband Now a young mother to little Orchid she fears for her daughters safety as well The product of a broken home herself Michaela is determined to keep her family together for Orchids sake She knows that Eduards own abusive childhood has affected his life in unspeakable ways and prevents him from seeing the impact of his behaviour on his own family Michaela does everything she can think of to fix her shattered marriage but nothing is helping When Eduard seriously injures their three year old daughter Michaela reaches a breaking point Aware of the risks she must now find the courage needed to leave her abusive marriage behind and start a new life But an enraged Eduard is not about to relinquish control over his family Will his threats undermine her newfound resolve and freedom

*Landscape - Tourism - Food* Olaf Kühne,Liliana Dumitrache,2025-06-16 Landscape and food there is hardly a form of tourism that is not oriented towards one or the other often both As a result of this close connection our anthology explores the different facets of these links Drawing on the concepts of Touristscapes and Foodscapes an

international group of authors provide theoretical considerations as well as overviews of larger spatial units and local and thematic case studies What the contributions have in common is their focus on a synthetic landscape view of the topics dealt with ranging from the investigation of post socialist material substrates for the development of current touristscapes and foodscapes to the touristic use of socialist heritage and phenomena of dark tourism to the development of gastronomic offers and their significance for the construction of identities but also the staging of places for social media contexts Contributions from authors particularly from the fields of geography economics and sociology highlight the diversity of perspectives on the rapidly developing research field of landscape food and tourism *Romania & Moldova*, 2007

**Medical Tourism** John Connell, 2011 Medical Tourism John Connell Although it may seem a recent phenomenon tourism has long been associated with improved health resulting in a boom of spas yoga and rejuvenation treatments Medical tourism is a more recent example of niche tourism with increasing numbers of people travelling abroad in search of cosmetic enhancement and solutions to various serious medical conditions often through surgery This book looks at the background and rise of both health and medical tourism alongside its global expansion and growing complexity and examines how medical tourism benefits but also challenges local healthcare providers and contributes to regional economies and the tourism industry It offers a unique overview of an emerging component of the tourist industry that is a distinct and controversial element of health provision The book also provides insights into current topics such as global health and ethics making this an essential resource for researchers and students of medical tourism and healthcare

**Hospitality and Tourism in Transition in Central and Eastern Europe** Maria Vodenska, 2019-01-22 This book is the result of the joint efforts of hospitality and tourism academicians of eleven countries in Central and Eastern Europe all of them members of La Fondation pour la Formation H teli re based in Switzerland which for more than twenty years has supported the development and the evolution of hospitality and tourism education in thirty nine educational institutions across Central and Eastern Europe The book analyses hospitality and tourism development in various countries in the period of transition 1990 2015 Its main advantage is that the research is conducted by native hospitality and tourism researchers and specialists from each country The volume will appeal to a large audience of lecturers researchers and students in hospitality and tourism both across Europe and worldwide as well as to all people interested in Central and Eastern European countries general development and its specifics during the transition period

**Largest Island In The Sea** Green M Jeffrey, 2010-05-15 What did I know about Naples That it was an important city historically formerly the capital of a kingdom that it had been in serious decline for centuries that it was full of pickpockets purse snatchers and counterfeit watches pocketbooks and pens I knew that it lay in the shadow of Vesuvius that Pompeii and Herculaneum were nearby that many Italian Americans among whom I grew up in New York came from southern Italy and that it was supposed to be a splendid city despite the corruption squalor and decay I once heard a company of marvelous young musicians from Naples play and sing medieval and renaissance music so I knew there was high

level musical activity there Naples is an overactive city of nobility and squalor sprawling in the menacing shadow of Vesuvius Not far from Sicily the largest island in the Mediterranean the streets of Naples are lined with Africans and Asians selling sunglasses and watches and young men from North Africa seeking work lounging in the streets It is here an island battered by successive waves of war and conquest from the rivalry between the Phoenicians and the Greeks in the sixth century BCE through the battles of World War II that Europe merges with the Third World Jeffrey Green had wanted to visit these places since his childhood in Greenwich Village New York City which as much as it was a haven of poets painters bohemians and intellectuals was also the northern fringe of Little Italy The faces he saw the voices he heard the stores he passed on MacDougal Street on his way to school were all Sicilian and Neapolitan Hardly a month went by when he and his parents didn't eat at least once in a family owned Italian restaurant The fragrance of Italian food was the fragrance of his New York Jewish childhood At the age of 60 he finally got to Sicily in the company of Judith his wife and another couple By the time he got there it meant much more to him than an echo of his Manhattan childhood for he had been living in Israel since 1973 and was now a citizen of Mediterranean civilization himself So his exploration of Naples and Sicily although frustratingly brief was also an exploration of an assumed identity Travel can give us both knowledge of the world and lead to a deeper self knowledge Just as on a trip no matter how carefully one plans there are always surprises some propitious some untoward in this book the reader will not necessarily find what he or she expects

Eastern Europe on a Shoestring David Stanley, 1991  
Covers Albania Belarus Bosnia and Herzegovina Bulgaria Croatia Czech Republic Estonia Hungary Latvia Lithuania Macedonia Moldova Poland Romania Russia Moscow St Petersburg Kaliningrad Serbia Montenegro Slovakia Slovenia and Ukraine

**"A Third Reich, as I See It"** Janosch Steuwer, 2023-04-04 With the beginning of the National Socialist dictatorship Germany not only experienced a deep political turning point but the private life of Germans also changed fundamentally The Nazi regime had far reaching ideas about how the individual should think and act In *A Third Reich as I See It* Janosch Steuwer examines the private diaries of ordinary Germans written between 1933 and 1939 and shows how average citizens reacted to the challenges of National Socialism Some felt the urge and desire to adapt to the political circumstances Others felt compelled to do so They all contributed to the realization of the vision of a homogeneous conflict free and racially pure society In a detailed manner and with a convincing sense of the bigger picture Steuwer shows how the tense efforts of people to fit in and at the same time to preserve existing opinions and self conceptions led to a close intertwining of the private and the political *A Third Reich as I See It* offers a surprisingly new look at how the ideological visions of National Socialism found their way into the everyday reality of Germans
