Durrow,2011-01-01 After a family tragedy orphans her Rachel the daughter of a Danish mother and a black G I moves into her grandmother s mostly black community in the 1980s where she must swallow her grief and confront her identity as a biracial woman in a world that wants to see her as either black or white A first novel Reprint     **A Deadly Blend of Souls**

Gordon Lysen,Lisa Lysen,2013-02 A Deadly Blend of Souls was written by the husband and wife writing team of Lisa and Gordon Lysen According to Lisa In summer of 2006 we retired packed up city life and moved to our beautiful lakefront home on the shore of Lake Manitoba Faced with being the only permanent residents who didn t travel south to escape the bitter winter months we decided to fill the time with a game that sprang from our mutual love of storytelling Without ever discussing a plot or characters we began co writing a book for fun Gordon started by writing the first chapter I read what he had written and imagined where it might go from there adding a chapter of my own He read mine wrote another and we kept on going throwing twists and turns into the mix each waiting to see what was going to happen next Our only rules were to never discuss what we were planning or where we thought the tale was going and to respect each other s very different writing styles What began as a game soon turned into a murder mystery one we hope you will enjoy reading as much as we enjoyed writing David Morse is a victim of a dysfunctional but loving childhood He is beginning to rebuild his world when his past returns and confronts him tearing hard at his soul He fights to maintain his self respect when his newfound life and his very existence are threatened Gordon Lysen and Lisa Lysen live in Winnipeg Canada He was formerly a policeman and she worked in jewelry sales This is their first book Publisher s Website <http://SBPRA.com/GordonLisaLyse>     **Following the Sun**

Robin Tennant-Wood,2012-10-01 In 1970 a small group of physicists at The Australian National University decided to veer away from the accepted and expected directions in energy research and pursued the emerging discipline of solar energy Over the next decade ANU joined a small cluster of research institutions including the CSIRO UNSW and the University of Sydney to emerge as a world leader in solar energy technology This book traces the history of solar energy research at ANU over 35 years from its origin its sometimes controversial early stages through its flagship projects to its current status as one of the world s best known solar energy research establishments It is as much a story of the future as it is a history Following the sun is the story of how an idea to pursue what was in 1970 a new and unpopular research path has come to underpin
