Gender and Romance in Chaucer's Canterbury Tales Susan Crane, 2014-07-14 In this fresh look at Chaucer's relation to English and French romances of the late Middle Ages Crane shows that Chaucer's depictions of masculinity and femininity constitute an extensive and sympathetic response to the genre For Chaucer she proposes gender is the defining concern of romance As the foundational narratives of courtship romances participate in the late medieval elaboration of new meanings around heterosexual identity Crane draws on feminist and genre theory to argue that Chaucer's profound interest in the cultural construction of masculinity and femininity arises in large part from his experience of romance In depicting the maturation of young women and men romances stage an ideology of identity that is based in gender difference Less obviously gendered concerns of romance social hierarchy magic and adventure are also involved in expressing femininity and masculinity The genders prove to be not simply binary opposites but overlapping and shifting coreferents Precarious social standing can carry a feminine taint women's adventures recall but also contradict those of men This lively study reveals that Chaucer's redeployments of romance are particularly sensitive to the crucial place gender holds in the genre Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Newarker John Cotton Dana,1912 Love in the Second Act Alison Leslie Gold,2006-01-19 Inspiring stories of individuals aged 46 to 97 who experienced a resurgence of passion in their lives when they least expected it F Scott Fitzgerald believed there are no second acts in American lives Yet at least as far as love is concerned the statistics indicate otherwise These days more and more people are falling in love and embarking on deep and fulfilling romantic relationships in the later part of their lives At a time when the specter of spending one's final years alone can seem only slightly less intimidating than Internet dating the subjects profiled in this book tossed their hearts up in the air with the hope that love just might spring eternal And just how different is the game at age seventy five than it was at age twenty five This book forms an engaging meditation on the ways that love itself alters and matures as we grow older Organized around the distinct and often surprising themes that emerged from Gold's conversations with lovers from all walks of life love suddenly appearing out of the shadows following a determination to find it at whatever cost second act relationships that represent 180 degree turns for the parties involved a sense of finally coming home to the one you were meant to be with in the final stages of life Love in the Second Act will remind anyone young or old that the quest for love is never ending *Mutiny On The Bounty & Pandora's Box* David G Williams,2014-04-17 Deluxe A4 Edition of this new approach to the complete story of HMS Bounty from its disastrous crew selection the Mutiny incitement of Polynesian wars trials executions pardons kidnaps rapes and enslavement to the brutal island murders Make no mistake it may have been the beginning of the Romantic Age but there was nothing romantic about the Mutiny on the Bounty why did Fletcher Christian choose oblivion over common sense on that hot sunny morning so long ago Was it because far from freeing the crew from a perceived oppression he was actually mentally unstable Where exactly

was Peter Heywood and why did half the crew choose certain death in an open boat rather than sail away with the mutineers Just some of the questions answered in this book for the first time the whole story the complete story including the voyage of the Pandora sent to capture the men that dared steal one of His Majesties ships *The Darkest Night* Gena Showalter,2016-01-18 Though they carry an eternal curse the Lords of the Underworld are irresistibly seductive and unimaginably powerful Don t miss a single book in this stunning paranormal series from New York Times bestselling author Gena Showalter All her life Ashlyn Darrow has been tormented by voices from the past To end the nightmare she has come to Budapest seeking help from men rumored to have supernatural abilities not knowing she ll be swept into the arms of Maddox their most dangerous member a man trapped in a hell of his own Neither can resist the instant hunger that calms their torments and ignites an irresistible passion But every heated touch and burning kiss will edge them closer to destruction and a soul shattering test of love Book 1 of Lords of the Underworld **The Viscount's Forbidden Love** M.M.

Wakeford,2024-07-01 A beautiful romance and a fitting end to this original series Goodreads review A slow burn romance with lots of angst and tension I feel that Ms Wakeford wrote this story with real sensitivity and with a sense of reality of the time Goodreads review From the moment I first met you I have felt an inexplicable attraction I want you Ambrose and I am unashamed to say it Daniel Stanton has been blessed with everything He is charming confident and handsome and heir to the great Stanton fortune At age 24 he has had his fair share of amorous adventures with women as well as one tantalising experience with a man leaving him wondering about his sexual inclinations Those questions are quickly answered when he first meets Ambrose Cranshaw his grandfather s estate manager He wants the man and what he wants he usually gets Not this time though Ambrose Cranshaw is everything that Daniel is not With no fortune to his name and no connections he has had to work hard to support himself and his younger sister climbing his way up in the world to the trusted position of the Earl of Stanton s estate manager He may yearn in secret for other men but he will never risk it all by acting out on his yearnings When he first meets debonair and charming Daniel Stanton he knows at once that the man is dangerous With one flash of those dark torrid eyes Daniel could bring the whole edifice of Ambrose s life crumbling down At all costs Ambrose must hide his true feelings for him The Viscount s Forbidden Love is the fourth novel in The Stanton Legacy series The series is best read in order although each book does have its own featured hero heroine and HEA Set in Victorian England this is an MM romance with plenty of heart angst and steam and it does have a happy ending that is realistic and in keeping with the time it is set in Search terms complete series MM romance slow burn romance angst historical romance Victorian romance gay romance employer employee romance bisexual hero love triangle opposites attract instalove The Stanton Legacy series 1 The Viscount s Scandalous Affair 2 The Vixen s Unlikely Marriage 3 The Bluestocking s Secret Obsession 4 The Viscount s Forbidden Love 5 Miss Stanton Meets her Match spin off novella 6 Mr Templeton Finds Himself a Wife spin off novella
