*Global Meets Digital* Vinod Jain,2023-06-02 The world today is at the intersection of two megatrends Globalization and Digitalization a business revolution unfolding in real time *Global Meets Digital* captures the many nuances of this revolution succinctly including its impact on our lives and business An immediate implication of this revolution is that the economic principles that underpinned business and strategy for hundreds of years such as diminishing returns to scale and resource scarcity are no longer valid for a large and growing number of products and services The book will challenge you to think differently not just about digital products but also about physical products In the global digital world products are of three kinds physical digital and smart machines products that are both physical and digital and connected to the internet a distinction missed by most books on strategy and global business The economics of each kind of products is distinct from that of the others which has strategic implications for all kinds of businesses implications such as how to compete and how to create and capture value With several mini case studies and over 100 company examples the book covers themes and cutting edge issues like the paradox of globalization digital disruption disruptive business models exponential technologies Internet of Things competition in digital markets winner take all market dynamics Industry 4 0 how to innovate strategizing for the New Normal and value creation and value capture in both B2C and B2B contexts The book derives its underpinnings from the practice of global and digital business while theory remains in the background Intended specifically for an executive professional audience *Global Meets Digital* should also be of value to business students and professors learning to dip their toes into a digital world Vinod Jain is an expert in global and digital strategy award winning professor Fulbright Scholar and author of an MBA textbook *Global Strategy* He taught at the Rutgers Business School Newark and New Brunswick and the Robert H Smith School of Business University of Maryland College Park At Maryland he was also the Founding Director of

the federally funded Center for International Business Education and Research and Academic Director of Smith School's Executive MBA program in China. Since leaving Maryland, he has taught in China, Denmark, Finland, Poland, and India as a visiting or term professor. His opinion pieces have appeared in *The Washington Post*, *The Baltimore Sun*, *Mensa Bulletin*, and *Economic Times*, and *Mint India's* 1 and 2 business dailies among other media. In the past, he worked as a middle and senior level executive with American and British multinationals. Vinod has a PhD in Strategy and International Business from the University of Maryland College Park, MS in Management from UCLA, and MS and BS Hons in Statistics from the Indian Statistical Institute, Calcutta.

*Transforming the Service Sector With New Technology* Rana, Varinder Singh, Bathla, Gaurav, Raina, Ashish, Chhabra, Divoy, 2025-05-07. Technology can impact the service sector in a variety of ways. It can be used to transform a number of service-related businesses including hospitality, tourism, banking, healthcare, and others. Businesses navigating the rapidly changing landscape of services and technology can benefit from it by using emerging technology to create new services or improve existing ones. With the rapid rise in technology, the regulatory landscape is changing, requiring additional changes to ensure responsible innovation and protect consumers' interests. *Transforming the Service Sector with New Technology* strives to stimulate innovation, aid in strategic decision making, and benefit service industries as a whole. It provides valuable information about how technology is impacting and transforming the services sector and insights in responsibly regulating it. Covering topics such as customer engagement, recovery strategies, and technology-driven product placement, this book is an excellent resource for industry decision makers, industrialists, hospitality professionals, entrepreneurs, policymakers, scholars, academicians, professionals, and more.

*Scam* Ivan Franceschini, Ling Li, Mark Bo, 2025-07-08. Running the gamut from the infamous pig butchering romance con to sophisticated online extortion and investment fraud, Southeast Asia has emerged as the global hub for cybercrime. Based on years of field research, *Scam* takes an in-depth look at the history and inner dynamics of the region's online scam industry. Revealed are the appalling working conditions akin to modern slavery in the hundreds of prisonlike compounds that have mushroomed throughout multiple countries. The result is a shocking exposé of victims forced to be perpetrators, a tragic modern tale.
