experience in manually recording and posting a variety of business transactions common to small retail businesses so that students will gain an understanding of the out of sight processes in computerised accounting systems This hands on methodology reinforces understanding of accounting fundamentals typically encountered in practice and is therefore suitable for students undertaking a course in accounting Features The steps of a typical accounting cycle The use of special journals as a means by which data is processed more efficiently The use of subsidiary ledgers to remove detail from the General ledger The steps in posting journals to the General ledger and subsidiary ledgers The perpetual inventory system Balance day adjustments and the General ledger closing process The bank account reconciliation How the accounting cycle culminates in the preparation of financial statements from a worksheet How GST is recorded and the effect it has on transactions About the Authors Wendy Pabst is a Graduate of The WA Institute of Technology now Curtin University of Technology majoring in Accounting with Computing and Business Law minors She teaches accounting computer packages at Curtin University and has done so for the past 3 years She is also a sole practitioner having been in public practice for 16 years assisting small business proprietors with their taxation accounting and computing needs Her practice uses a variety of computer packages on a regular basis depending on the client s size and needs Brian Perrin is a Lecturer in the School of Accounting at Curtin University of Technology Western Australia He currently lectures in and co ordinates computerised accounting courses both locally and overseas His work experience in both financial and management accounting spans some thirty years in private practice commerce the public sector and education Brian s research interest is in the area of management accounting and he is currently undertaking a PhD in that area *Sports Zone* Robert Grose,2007 *Sports Zone* A manual accounting practice set is a self paced student text and workbook This practice set allows students to either complete one or two months of transactions which provides the instructor with an additional form of assessment if required *Sports Zone* uses a perpetual inventory method for a retail business using GST *Sports Zone* can be used as a manual practice set on its own but may also be used as a computerised practice set using the commercially available accounting software package of QuickBooks The advantage of using both the manual and computerised methods is that it will be possible for students to compare the results produced manually with the printed results produced by the QuickBooks package If both the manual and computerised option is taken then in addition to the manual practice set the computerised material also comes with instructions and the accounting software on CD Rom *Reality Bytes* Christine Louise Yap,Yap & Hartnett,2007 *Lazydaze Manual Accounting Practice Set* Kavanagh & Brown,2009-12-13 **Kate's Kitchen Manual Accounting Practice Set** Robert Grose,2009-03-17 **Garden Blitz** Hartnett & Yap,Neil Hartnett,2005-12 *Sam's Shoe Barn - A Manual Accounting Practice Set* Corinne Cortese,2011-07-25 *Sam s Shoe Barn* is a manual accounting practice set designed to be used with any introductory textbook and intended for students studying introductory accounting This practice set covers all the steps in the accounting cycle and students are guided through the process of recording transactions for a retail

business for the last month of the financial year completing adjusting and closing entries and preparing financial statements

Brendan's Books Pty Ltd Martin Bugeja, 2005 Brendan's Books Pty Ltd is intended for students studying introductory accounting and can be used with any introductory textbook. An advantage of this practice set over many others is that revenue and expense accounts have not been closed at the end of the previous month, therefore providing students with a more realistic scenario. This practice set provides students with the unadjusted trial balance at the end of May and requires students to record typical transactions for a retail business for the last month of the financial year. Once these transactions have been recorded and posted, students are required to complete the accounting cycle by journalising and posting adjusting and closing entries and preparing financial statements. Students that complete this practice set should develop the skills necessary to keep a set of manual accounting records and understand the steps required to complete the accounting cycle.

Chatter Box Robert Grose, Scott Copeland, 2004 **Pete's Plumbing** Abdel Halabi, Robyn Dyt, 2002-05-30 This manual accounting practice set is intended for introductory level students both accounting and non-accounting majors. It allows students to become familiar with the recording process and may be used as an assessable assignment. This set focuses on a plumbing business which covers service inventory and payments. A feature will be the inclusion of accounting for GST and electronic transfer payments. Full background information is given on the business as well as blank forms of accounts for completion. **Tigre's Tiles Pty Ltd** Martin Bugeja, 2003-12-11 Tigre's Tiles Pty Ltd is a manual accounting practice set designed to give students experience in recording business transactions in a set of manually prepared accounting records.

Chris Rhodes Accounting Services C. J. Cheetham, J. D. Ring, 2007 Chris Rhodes Accounting Services is a hypothetical business that offers accounting and business services to its clients. The unique feature of this accounting practice set is that it can be used manually or with MYOB Accounting V16. Students are presented with a number of typical business transactions over 3 months; source documents are provided for two months and are required to record the transactions manually or using MYOB Accounting. The practice set provides students with the skills necessary to keep a set of manual and computerised accounting records whilst developing an understanding of the steps required to complete the accounting cycle. **Dee-Vee**

Rama Pty Ltd Brian Perrin, Lew Edwards, 2001 Dee Vee Rama Pty Ltd is a manual practice set designed to provide students with experience in recording the business transactions of a retail business into a set of manually prepared accounting records. The practice set uses the same transactions set as used in Videorama Pty Ltd a Computerised Practice Set using MYOB Accounting Plus. Completing Dee Vee Rama Pty Ltd will build student understanding of the necessary accounting procedures when managing the financial accounts for a simulated business environment whilst reinforcing the principles of introductory accounting. When used in conjunction with Videorama Pty Ltd a Computerised Practice Set using MYOB Accounting Plus it highlights the similarities and differences between a manual system of accounting and a computerised one.
