Robinson Crusoe (I/II) Daniel Defoe,2012 **The Life and Adventures of Robinson Crusoe (Annotated)** Daniel Defoe,2019-12-23 Differentiated book It has a historical context with research of the timeIts original title is The life and incredible adventures of Robinson Crusoe of York sailor who lived twenty eight years completely alone on an uninhabited island on the shores of America near the mouth of the great Orinoco River having been dragged to the shore after a shipwreck in which all the men died except him With an explanation of how in the end he was unusually released by pirates Written by himself But well for friends it is Robinson Crusoe I do not know if this work the most famous of Daniel

Defoe can be considered today as the predecessor of the youth novel. We cannot forget that we are talking about a book published in 1719 and that it is the founding novel of adventures. Therefore it represents an incalculable value. The name with which it is published in 1719 already contains a brief summary of the content so we could add that it is the adventure of a child who wishes to go beyond what his parents propose or desire for him. Thus the protagonist prefers to avoid any sign or manifestation established to follow his wishes regardless of the consequences. Perhaps youth and innocence justify the facts and means of such a reaction but they also serve the narrator to involve us in his reading. A training novel where a child becomes a man and matures with every blow especially when it comes to seeing himself on a desert island with nothing but his ingenuity which he will demonstrate through the practices and causes effects of his own evolution. Learn to collect everything that can be edible to keep the products that he could save from the ship as long as possible to know the land to reap in the right times to make your own home over and over again to prepare your own food and your own tools to perfect them. All following trial and error techniques. Basically it is the adventure of a man who watches over his own interests and to protect himself from storms, famine, disease and any other situation that is out of one's own hands. Daniel Defoe portrays in an entertaining way an adventure that is not as far from our reality as we might think at the beginning. As for the narration we can say that it is composed in the form of a newspaper that fades on the island similar to the loss of the notion of the main character's time and remains only as a story with a linear structure full of descriptions. A book that falls apart in the hands of the reader.

It was published under the considerably longer original title The Farther Adventures of Robinson Crusoe Being the Second and Last Part of His Life And of the Strange Surprising Accounts of his Travels Round three Parts of the Globe. Although intended to be the last Crusoe tale the novel is followed by a third and final novel involving the character by Defoe entitled Serious Reflections of Robinson Crusoe 1720.

Set in the 17th century Robinson Crusoe follows the eponymous Robinson Crusoe as he leaves home to make his fortune. After a series of misadventures in Africa, Crusoe is shipwrecked on a desert island for 28 years, forming much of the adventure. Crusoe's life on the island, his encounter with cannibals, and his rescue of shipwrecked Spaniards are highlights of the story. In the further adventures of Robinson Crusoe, Crusoe and Man Friday journey to Europe, then on a trading adventure to India and China. Rather than returning to Europe by ship, Crusoe's last great adventure is an overland journey across China and Siberia.

Daniel Defoe (c. 1659–1731) was an English writer credited with publishing the first English language novel, **ROBINSON CRUSOE**. Born Daniel Foe, he wrote more than 500 works during his life, including novels and political works, and in a variety of subjects.

Robinson Crusoe Daniel Defoe, 2017-01-24 Robinson Crusoe is a novel by Daniel Defoe, first published on 25 April 1719. The first edition credited the work's protagonist Robinson Crusoe as its author, leading many readers to believe he was a real person and the book a travelogue of true incidents. The 2 Epistolary, confessional, and didactic in form, the book is presented as an autobiography of the title character, whose birth name is Robinson Kreutznaer, a castaway who spends twenty-seven years on a remote tropical desert island near Trinidad, encountering cannibals, captives, and mutineers before ultimately being rescued. The story has since been thought to be based on the life of Alexander Selkirk, a Scottish castaway who lived for four years on a Pacific island called Más a Tierra, now part of Chile, which was renamed Robinson Crusoe Island in 1966. But various literary sources have also been suggested.

Despite its simple narrative style, Robinson Crusoe was well received in the literary world and is often credited as marking the beginning of realistic fiction as a literary genre. It is generally seen as a contender for the first English novel.

Plot Summary Crusoe, the family name corrupted from the German name Kreutznaer, sets sail from the Queen's Dock in Hull on a sea voyage in August 1651, against the wishes of his parents, who want him to pursue a career, possibly in law. After a tumultuous journey, where his ship is wrecked in a storm, his lust for the sea remains so strong that he sets out to sea again. This journey too ends in disaster, as the ship is taken over by Sal pirates, the Sal Rovers, and Crusoe is enslaved by a Moor. Two years later, he escapes in a boat with a boy named Xury, a captain of a Portuguese ship off the west coast of Africa, who rescues him. The ship is en route to Brazil; Crusoe sells Xury to the captain. With the captain's help, Crusoe writes:

Any one may judge what a condition I must be in at all this, who was but a young sailor and who had been in such a fright before, at but a little. But if I can express at this distance the thoughts I had about me at that time, I was in tenfold more horror of mind upon account of my former convictions and the having returned from them to the resolutions I had wickedly taken at first, than I was at death itself, and these added to the terror of the storm, put me into such a condition that I can by no words describe it. But the worst was not come yet; the storm continued with such fury that the seamen themselves acknowledged they had never seen a worse. We had a good ship, but she was deep laden and wallowed in the sea, so that the seamen every now and then cried out she would founder. It was my advantage in one respect that I did not know what they meant by **FOUNDER**, till I inquired. However, the storm was so violent that I saw

what is not often seen the master the boatswain and some others more sensible than the rest at their prayers and expecting every moment when the ship would go to the bottom In the middle of the night and under all the rest of our distresses one of the men that had been down to see cried out we had sprung a leak another said there was four feet water in the hold
