

An illustration depicting a scene from the biblical story of Samson. In the foreground, Samson, a muscular man with long dark hair and a beard, wearing a red tunic, is shown in a dynamic pose, possibly having just defeated an opponent. He is holding a large, dark, circular object, likely a Philistine's helmet or a piece of armor. In the background, several other men, some shirtless and some wearing tunics, are engaged in combat or observing the scene. One man in the background is holding a sword aloft. The setting appears to be an outdoor arena or battlefield with a yellowish background.

crucial link between Scripture and application the theology of each preaching text i e what the author is doing with what he is saying Judges is divided into fourteen preaching units and the theological focus of each is delineated The overall theological trajectory or theme of the book deals with the failure of leadership in the community of God s people Since God s people are all called to be leaders in some arena to some degree in some fashion the lessons of Judges are applicable to all Christians The specific theological thrust of each unit is captured in this commentary making possible a sequential homiletical movement through each pericope of Judges While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the twelve preaching units of Judges The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Judges with an emphasis on application
