Return To Me A Remi Claudia Story:

Return to Redemption Erin Heitzmann, 2010-05-28 Saved from a certain death by the miraculous power of God Rebecca Halloway longs to be reunited with Captain Jameson and the men of the Redemption but will their unexpected return to Portsmouth bring her the solace and resolution she so desperately yearns for After suffering a near fatal gunshot wound while onboard His Majesty s Frigate Redemption the massive British warship under the strict command of Captain William Jameson Rebecca Halloway was returned to England and delivered into the hands of her mother and father frightfully close to death Now six months have passed and Captain Jameson and his crew are returning to Portsmouth in the hopes of securing a liaison who will lead a group of men into France to reclaim several of their shipmates taken as prisoners of war by Napoleon Bonaparte s army Thinking the girl dead the captain and his crew are astounded to discover that Rebecca Halloway still lives but even more astounded when they come to realize that it is she who intends to lead the men of the Redemption across the perilous terrain of France and into the midst of the enemy *From Tiberius to the Antonines (Routledge Revivals)*

Albino Garzetti, 2014-06-17 The first two centuries of the Christian era were largely a period of consolidation for the Roman Empire However the history of the heyday of Roman imperium is far from dull for Augustus successors ranged from capable administrators Tiberius Claudius and Hadrian to near madmen like Caligula and the amateur gladiator Commodus who might have wrecked the system but for its inherent strength Albino Garzetti s classic *From Tiberius to the Antonines* first published in 1960 presents a definitive account of this fascinating period which combines a clear and readable narrative with a thorough discussion of the methodological problems and primary sources Regarding difficult historical questions it can be relied upon for careful and reasonable judgments based on a full mastery of an immense amount of material Nearly three hundred pages of critical notes and a comprehensive bibliography complement the text ensuring its continuing relevance for all students of Roman history *British Family Life, 1780-1914, Volume 3* Claudia Nelson, Julie-Marie Strange, Susan B Egenolf, 2021-12-24 The five volumes of this collection focus on various aspects of family life Drawing on rare printed sources and archival material this collection will provide a balanced contextualized picture of family life during a period of intense social change It will appeal to scholars of social history gender studies and the long nineteenth century *The Academy*, 1888 **Academy; a Weekly Review of Literature, Learning, Science and Art**, 1887 The Poetical gazette the official organ of the Poetry society and a review of poetical affairs nos 4 7 issued as supplements to the *Academy* v 79 Oct 15 Nov 5 Dec 3 and 31 1910 **The Life and Music of Teresa Carreño (1853-1917)** Anna Kijas, *The Life and Music of Teresa Carre o 1853 1917 A Guide to Research* is an essential reference on the extant primary sources secondary literature compositions and recordings for scholars students musicians or any interested in the life and career of Teresa Carre o a Venezuelan born pianist and composer This guide is divided into three sections 1 Life includes a biography that examines Carre o s career from her early performances as a musical prodigy through her years as a mature and internationally

and the Liberation of Reason in French Philosophy Stephanie Rumpza,M. E. Littlejohn,2025-09-18 In an age where thinking is too often restricted to its scientific exercise how better to liberate the full powers of our reason than to engage with the possibility of what exceeds them What better way to measure our progress beyond modernist metaphysics and the contemporary nihilism it generated than to discuss the question of God Written by specialists in French philosophy the essays in this volume use the question of God to identify problematic metaphysical patterns still carved into our thought as well as to reconstruct new paths for philosophy that open beyond these limitations Discussing the work of Kant Nietzsche Husserl Heidegger H ring Levinas Derrida and others contributions range across topics including the influence of Neo Platonic philosophy on theology the errors of modern rationalism and phenomenology s interest in religion Even when drawing on resources from faith traditions this French engagement with the question of God defies any simplistic attempt to relegate its efforts to theology the authors of this volume clearly demonstrate its deeply embedded relation to the history of thought and its relevance to questions central for the task of philosophy today With a special attention the work of significant philosophers less known outside of France this volume promises to deepen the Anglophone reception and understanding of contemporary French philosophy **Italo Calvino and the Landscape of Childhood** Claudia Nocentini,2000 Although never named as such the landscape of Sanremo was a visual source for Calvino s fiction This recurring theme provides both a link between some very different works and an insight into the autobiographical dimension of an author whose attitude to privacy is protective but detached This work is an analysis of the criteria of representative and of representational distortion of a descriptive motif *Billboard* ,2011-04-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
