

The background is a stylized stained glass window. It features a large central pane with a light blue sky and white clouds. To the left and right are smaller panes in shades of tan and brown, suggesting architectural elements like columns or walls. The entire design is framed by thick black lines, characteristic of leaded glass.

Return Of The First Church

Terry W. McHenry

Return Of The First Church:

Return of the First Church, Harry Emerson Fosdick Robert Moats Miller, 1985-02-21 A major figure in American religious and cultural history Fosdick was famous as a preacher a pacifist and a champion of civil rights He was also the author of forty seven books **Women and Reform in a New England Community, 1815-1860** Carolyn J.

Lawes, 2014-07-11 Interpretations of women in the antebellum period have long dwelt upon the notion of public versus private gender spheres As part of the ongoing reevaluation of the prehistory of the women s movement Carolyn Lawes challenges this paradigm and the primacy of class motivation She studies the women of antebellum Worcester Massachusetts discovering that whatever their economic background women there publicly worked to remake and improve their community in their own image Lawes analyzes the organized social activism of the mostly middle class urban white women of Worcester and finds that they were at the center of community life and leadership Drawing on rich local history collections Lawes weaves together information from city and state documents court cases medical records church collections newspapers and diaries and letters to create a portrait of a group of women for whom constant personal and social change was the norm Throughout *Women and Reform in a New England Community* conventional women make seemingly unconventional choices A wealthy Worcester matron helped spark a women led rebellion against ministerial authority in the town s orthodox Calvinist church Similarly a close look at the town s sewing circles reveals that they were vehicles for political exchange as well as social gatherings that included men but intentionally restricted them to a subordinate role By the middle of the nineteenth century the women of Worcester had taken up explicitly political and social causes such as an orphan asylum they founded funded and directed Lawes argues that economic and personal instability rather than a desire for social control motivated women even relatively privileged ones into social activism She concludes that the local activism of the women of Worcester stimulated and was stimulated by their interest in the first two national women s rights conventions held in Worcester in 1850 and 1851 Far from being marginalized from the vital economic social and political issues of their day the women of this antebellum New England community insisted upon being active and ongoing participants in the debates and decisions of their society and nation **Religious Entrepreneurism in China's Urban House Churches** Li

Ma, 2019-06-27 This book offers a unique historical documentation of the development of the ambitious religious entrepreneurship by leaders of the Early Rain church and later Western China Presbytery leadership in an effort to gain social influence in China through local institution building and global public image management It unravels the social processes of how this Christian community with a public image of defending religious freedom in China was undermined by an internal loss of moral authority Based on publicly available texts from Chinese social media that aren t readily available in the West as well as in depth interviews it is framed by existing scholarship in social theories of the public sphere charismatic domination in social transition and the role of power in organizational behaviour These churches stories show how Christianity which has

long been politically marginalized in communist China has not only adapted and challenged the socio political status quo but how it was also ironically shaped by the political culture This is an insightful and critical ethnographic study of one of modern China s most famous house churches As such it will be of great interest to scholars of Religion in China as well as those working in Religious Studies Asian studies Chinese studies and Mission Studies more generally When? F. Kenton Beshore, R. William Keller, 2011 This book shows that the Bible clearly teaches the Rapture is not an imminent event that cannot take place at any moment Many prophetic warning signs of the Rapture have already been fulfilled and many more must be fulfilled before the blessed event from publisher description Adam's Gift Jimmy Creech, 2011-04-04 The inspiring first person account of a minister whose ordination credentials were revoked by The United Methodist Church after he performed same gender commitment ceremonies *Martyrdom and Persecution in the Early Church* W. H. C. Frend, 2014-04-15 Although the story of the triumphant rise of Christianity has often been told it was a triumph achieved through blood and tribulation The literal meaning of the term martyr meant witness but among early Christians it quickly acquired a harsher meaning one who died for the faith and that witness through death was responsible for many conversions including those of Justin Martyr who himself offered just such witness and perhaps even Tertullian Persecution was seen by early Christians as by later historians as one of the crucial influences on the development of the early church and Christian belief Why did the Roman Empire persecute Christians Why did thousands of Christians not merely accept but welcome martyrdom In his classic work *Martyrdom and Persecution in the Early Church* the late W H C Frend explores the mindset of Christians who suffered persecution as well as the motivations of those who persecuted them He shows the critical importance of Jewish ideas to early Christians heavily influenced as they were by the story of Daniel and the revolt of the Maccabean He argues that the Christian concept of martyrdom held in such high regard among early Christians can only be understood as springing from Jewish roots Frend explores a number of major persecutions to show both common themes and variations and examines also the relationship between the heavenly kingdom of Christ and the rule of the earthly emperor In doing so he shows how persecution formed an essential part in a providential philosophy of history that has profoundly influenced European political thought **Recovering the Eucharistic Ecclesiology of the Early Church** Anastacia Wooden, 2025-01-10 The first theologian who spoke of eucharistic ecclesiology was the Russian Orthodox church historian and canonist Nicolas Afanasiev 1893 1966 He claimed to have re discovered and systematized the original ecclesiology of the early church which he called eucharistic Since then the eucharistic ecclesiology crossed confessional borders and shaped the theological discussion on the nature of the church Many authors of different Christian confessions developed Afanasiev s basic intuition while proposing a variety of their own understandings of the eucharistic nature of the church from Orthodox theologians like John Zizioulas and John Romanides to Catholic theologians like J M Tillard and Joseph Ratzinger Ironically the details of Afanasiev s own ecclesiological system remain largely unknown It is Anastacia Wooden s conviction that the

prevailing stereotypical view of Afanasiev's ecclesiology is suffering from fracturing of his thought. Therefore the aim of her book is to formulate a comprehensive view of Afanasiev's ecclesiological vision and of its significance for contemporary ecclesial life. Part one of the book provides the fullest to date biographical context of Afanasiev's scholarship. Part two addresses the four key issues that historically complicated understanding of Afanasiev's ecclesiology. Part three provides a synthesis of Afanasiev's total ecclesiological vision systematized in six ecclesiological themes: ministry, sacraments, law, governance, and teaching church unity and church state relations. It demonstrates how Afanasiev's methodological assumption that ecclesiology can serve as a tool to make sense of the historical data on the life of the church led to his realization that the early church had an operative ecclesiology which placed the exercise of royal priesthood in the Eucharist as the starting point of the ecclesial structure. In each chapter of the second part this book provides reflections on the contemporary relevance of Afanasiev's work. In the current crises of leadership in the Catholic Church as well as other Christian churches it may prevent the adoption of arbitrary forms of lay participation in the church governance by reminding church leaders that a theologically meaningful increase of lay participation should always be framed in terms of the increased participation of local churches.

Christian Dogmatics Carl E. Braaten, Robert W. Jenson, 2011-07 Volume 1 discusses dogmatics: the Trinity, the identity of God, creation, sin, and Christology.

What You Need to Know About Bible Prophecy in 12 Lessons Max Anders, 1997-04-23 Prophets, Rapture, Tribulation, Judgment, End times. Learn what the Bible has to say about prophecy, how Christians differ in their views of the end times, and what the universals are on which all Christians agree.

Truth Versus Man's Religious Systems Terry W. McHenry, 2018-01-27 The book in overview is historical and instructional in content with the focus being on the Biblical text in terms of its original form and language and in consideration of its full and proper context: linguistically, textually, historically, culturally, and literarily. It stresses the importance of moving from a knowledge of the Bible to an understanding of its life-giving instructions being studied in its entirety as a gift to mankind from a loving creator, Elohims. The thrust of the book is accordingly threefold: An indictment of two of man's religious systems, Judaism and Christianity, for syncretism, corruption of Elohims written Word of truth, and abuses of religious authority plus promulgation of religious traditions not aligned with the whole truth of Elohims Word. A call to return to the one source of truth: the written Word of Elohims understood in its originally written form and in its full and proper context. Providing the equipping and study tools necessary to move from a mere knowledge of the Word to an understanding of its life-giving instructions: how to live a redeemed life as Elohims intended for all mankind.

The Renaissance in Italy Guido Ruggiero, 2015 This book offers a rich and exciting new way of thinking about the Italian Renaissance as both a historical period and a historical movement. Guido Ruggiero's work is based on archival research and new insights of social and cultural history and literary criticism with a special emphasis on everyday culture, gender, violence, and sexuality. The book offers a vibrant and relevant critical study of a period too long burdened by anachronistic and

outdated ways of thinking about the past Familiar yet alien pre modern but suggestively post modern attractive and troubling
 this book returns the Italian Renaissance to center stage in our past and in our historical analysis The Congregationalist
 ,1919 San Francisco's Ocean Trade, Past and Future Benjamin Cooper Wright,1911 **The Messiah'S Imminent**
Return DeLinda N. Baker,2017-11-13 Throughout both the Old and New Testament there are numerous prophecies pointing
 to the return of the Messiah in power and glory In the early church a prevailing message was Jesuss promise to return in the
 clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world
 has been a tremendous source of encouragement over the ages The questions have been and continue to be When will Jesus
 return Have the signs of his return been fulfilled Is the Messiahs return imminent In this book we will explore the scriptures
 that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on
 the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians
 and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegrooms return was
 delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were
 ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesuss return
 Come prepared to dig deep into scriptures and look forward to Jesuss return The Harvest HandbookTM of Bible Prophecy
