How do you know the difference between loving someone and being in love with someone?

You love your friends and your family those are the people you would do anything for but being in love with someone is completely different being in love with someone is when all you can think about is them every situation involves them in some way. Every decision you make is based off of what will be better for them. Every outcome in your life you see them and you're going to marry that person someday. That's the difference between loving and being in love.
