providing inadequate representation a crisis that persists today This book shows how these conditions often attributed to recent fiscal emergencies have deep roots and it chronicles the intertwined histories of constitutional doctrine big philanthropy professional in fighting and Cold War culture that made public defenders ubiquitous but embattled figures in American courtrooms

Auschwitz Updated Edition Deborah Dwork, Robert Jan van Pelt, Robert Jan Pelt, 2002-04-30
Auschwitz 1270 to the Present elucidates how the prewar ordinary town of Auschwitz became Germany's most lethal killing site step by step and in stages a transformation wrought by human beings mostly German and mostly male Who were the men who conceived created and constructed the killing facility What were they thinking as they inched their way to iniquity Using the hundreds of architectural plans for the camp that the Germans in their haste forgot to destroy as well as blueprints and papers in municipal provincial and federal archives Deborah Dwork and Robert Jan van Pelt show that the town of Auschwitz and the camp of that name were the centerpiece of Himmler's ambitious project to recover the German legacy of the Teutonic Knights and Frederick the Great in Nazi ruled Poland Analyzing the close ties between the 700 year history of the town and the five year evolution of the concentration camp in its suburbs Dwork and van Pelt offer an absolutely new and compelling interpretation of the origins and development of the death camp at Auschwitz And drawing on oral histories of survivors memoirs depositions and diaries the authors explore the ever more murderous impact of these changes on the inmates daily lives

With Nails Richard E. Grant, 1999-03-01 The star of the cult classic *Withnail and I* offers a refreshing combination of comedy confession and coruscation in this memoir of the movie business Kirkus Reviews Richard E Grant's acting career has included memorable roles in some of Hollywood's most critically acclaimed films including Robert Altman's *Gosford Park* and Francis Ford Coppola's *Dracula* But he attributes his success to his first film role starring as a flamboyantly pathetic Shakespearean in the underground hit *Withnail and I* As Grant explains I had no notion that almost without exception every film offered since would be the result of playing an alcoholic out of work actor In *With Nails* Grant shares his long maddening and immensely rewarding journey through the world of film From the hell of making *Hudson Hawk* to befriending Steve Martin on the set of *L.A. Story* and from eating spaghetti with the Coppolas to window shopping with Sharon Stone and working with and learning from the best actors and directors in the business Grant's unvarnished memoir is a biting and wonderfully funny look at the movie business by an actor who is as clear eyed and observant about himself as he is about the craziness surrounding him Publishers Weekly starred review
